Suncorp doubles fee-free ATM access for customers

From today, Suncorp customers have fee-free access to the entire rediATM network, providing more choice, in more locations than ever before.

Suncorp CEO Customer Platforms, Gary Dransfield announced Suncorp's new partnership with Cuscal Limited, owners of the rediATM network last month.

Mr Dransfield said the new partnership more than doubles the number of fee-free ATMs available to customers to 3,300, up from 1,600.

"This is a great result for our customers who will benefit from increased ATM access, as well as functionality enhancements across the rediATM network," Mr Dransfield said.

"Customers will notice that the look of our ATMs will progressively change to include rediATM branding and some locations may also change.

"However, customers will be able to use all rediATMs, including those that have branding from other financial institutions, without being charged a direct ATM fee."

Suncorp customers can continue to use the Bendigo Bank network of ATMs fee-free until 4 January, 2018 after which time charges will apply.

For more information on ATM locations, visit the [Suncorp website](#).
