

Supplementary Prospectus

Suncorp-Metway Limited (ABN 66 010 831 722)

Supplementary Prospectus

This supplementary prospectus (“**Supplementary Prospectus**”) relates to the prospectus (“**Prospectus**”) dated 14 May 2008 for the issue of convertible preference shares (“**CPS**”) by Suncorp-Metway Limited (“**Suncorp**”). This Supplementary Prospectus supplements, and should be read together with, the Prospectus. If there is any inconsistency between the Prospectus and this Supplementary Prospectus, this Supplementary Prospectus will prevail. Words and expressions used in this Supplementary Prospectus have the meanings given to them in the Prospectus.

This Supplementary Prospectus is dated 4 June 2008 and was lodged with the Australian Securities & Investments Commission (“**ASIC**”) on that date. Neither ASIC nor ASX Limited takes any responsibility for the contents of this Supplementary Prospectus.

Amendments to Prospectus

1 Supplementary Prospectus

The definition of the “Prospectus” in Appendix B on page 91 of the Prospectus should be replaced with the following:

“this replacement prospectus in relation to the Offer that was lodged with ASIC on 14 May 2008 and replaces the Original Prospectus, together with the supplementary prospectus that was lodged with ASIC on 4 June 2008.”

2 Increased Offer Size

Since the Prospectus was lodged with ASIC, Suncorp has determined to increase the Offer size to \$735 million and issue up to 7.35 million CPS.

Each reference in the Prospectus to “\$700 million” in relation to the Offer should be replaced with “\$735 million” and each reference to “7.0 million CPS” in relation to the Offer should be replaced with “7.35 million CPS” so that:

- the front cover of the Prospectus reads:

“Prospectus for the issue of Suncorp convertible preference shares (CPS) to raise up to \$735 million”;
- the first paragraph of “*About this Prospectus*” section on the inside front cover of the Prospectus reads:

“This Prospectus relates to the offer by Suncorp-Metway Limited (**Suncorp**) of Suncorp convertible preference shares (**CPS**) at an Issue Price of \$100 each to raise up to \$735 million (**Offer**).”;

- the first sentence of the second paragraph of the “*Chairman’s letter*” on page 1 of the Prospectus reads:

“Suncorp intends to issue up to 7.35 million CPS at an issue price of \$100 each to raise up to \$735 million (**Offer**).”;

- the first dot point in “*What is the size of the Offer*” sub-section of section 1.1 “*General*” on page 8 of the Prospectus reads:

“• The Offer is for the issue of up to 7.35 million CPS to raise up to \$735 million.”;

- the first paragraph of section 2.1 “*Offer*” on page 19 of the Prospectus reads:

“The Offer is for up to \$735 million of CPS.”;

- the first dot point in the third paragraph of section 3.2 “*Pro forma financial information*” on page 30 of the Prospectus reads:

“• assumes that the Offer was completed and \$735 million of CPS were on issue as at 31 December 2007, adjusted for net issue expenses;”;

- the definition of the “Offer” in Appendix B on page 90 of the Prospectus reads:

“the offer by Suncorp of CPS under this Prospectus at an Issue Price of \$100 each to raise up to \$735 million”.

3 Pro forma financial information

As a result of the increased Offer size, the statements in the Prospectus relating to pro forma financial information should be amended as follows:

- section 3.2.1 “*Pro forma consolidated balance sheet as at 31 December 2007*” of the Prospectus should be replaced with the following:

Notes:

- 1 \$205 million of Ordinary Shares were issued on 9 April 2008 pursuant to the underwritten component of the dividend reinvestment plan on Suncorp’s dividend on Ordinary shares paid on 1 April 2008. The shares issued pursuant to the underwritten component of the dividend reinvestment plan are included from that date in fundamental Tier 1 Capital. Suncorp’s dividend on Ordinary Shares paid on 1 April 2008 and the underlying dividend reinvestment plan participation of \$110 million had been fully accrued for regulatory capital purposes in the 31 December 2007 actual capital adequacy position.
- 2 The expected intragroup dividends from the general insurance businesses to Suncorp were reduced by \$150 million due to increased claims experience following the Mackay floods as well as continuing adverse equity market conditions.
- 3 Assumes the issue of \$735 million of CPS with net issue expenses of \$15 million. The actual issue amount may be less than \$735 million.
- 4 The change to capital deductions relates to a change in the Prudential Standards from 1 January 2008 which requires 50% of capital deductions to be deducted from Tier 1 Capital and 50% of capital deductions to be deducted from Tier 2 Capital.
- 5 The inclusion of Lower Tier 2 capital in excess of 50% of Net Tier 1 capital is in accordance with transitional relief provided by APRA until June 2009.
- 6 Suncorp’s capital adequacy position at 31 December 2007 is calculated based on the Prudential Standards effective at that date. From 1 January 2008, risk-weighted exposures must be calculated using the Basel II methodology discussed in Section 3.3.2. The pro forma capital adequacy position does not include the impact of adopting Basel II on Suncorp’s risk-weighted exposures. Suncorp anticipates that the value of risk-weighted exposures will increase by less than 3% as a result of the implementation of the Basel II standardised approach.

Dear investors

On behalf of the Board of Suncorp-Metway Limited (**Suncorp**), I am pleased to present you with an opportunity to invest in Suncorp convertible preference shares (**CPS**). CPS pay investors, subject to their terms, floating rate, quarterly, non-cumulative, preferred dividends which are expected to be fully franked. CPS have received investment grade credit ratings of 'A-' from Standard & Poor's and 'A-' from Fitch Ratings, and a provisional investment grade credit rating of 'A2' from Moody's. This Prospectus contains information about the Offer by Suncorp of CPS and you should read it before deciding whether to apply for CPS.

CPS are preference shares in the capital of Suncorp, which will mandatorily Convert into Ordinary Shares (subject to certain conditions being satisfied).

CPS are being offered as part of Suncorp's capital management strategy, with the CPS proceeds being used to repay existing debt, finance new loans and for other general corporate purposes.

Key features of CPS

- Dividends on CPS are preferred, non-cumulative, based on a floating rate and expected to be fully franked. Dividends are scheduled to be paid quarterly in arrears, subject to the Payment Tests.
- The Dividend Rate will be calculated each quarter as the sum of the Bank Bill Rate plus the Margin, together multiplied by (1 – Tax Rate). The Margin is 3.2000% per annum.
- On 14 June 2013, CPS will Convert into a variable number of Ordinary Shares, unless the Mandatory Conversion Conditions are not satisfied or Suncorp arranges for a Nominated Purchaser to acquire all CPS from Holders for \$100 each (this latter process is called Resale).
- The Mandatory Conversion Conditions provide protection to Holders from receiving less than \$101.01 worth of Ordinary Shares per CPS on Conversion based on the volume weighted average price (VWAP) of Ordinary Shares during the 20 Business Days before the Mandatory Conversion Date.¹ Suncorp may, with the prior approval of APRA, elect to Redeem CPS if any of the Mandatory Conversion Conditions are not satisfied.
- CPS may be Exchanged at certain times before 14 June 2013 if a Tax Event or Regulatory Event occurs. CPS must, subject to APRA's prior approval, be Exchanged if an Acquisition Event occurs.
- Suncorp has applied for CPS to be quoted on ASX under ASX code 'SUNPB'.
- CPS have been assigned the following investment grade Issue Credit Ratings² – 'A-' by Standard & Poor's and 'A-' by Fitch Ratings. When issued, CPS are expected to be assigned an Issue Credit Rating of 'A2' by Moody's.
- On a winding-up of Suncorp, CPS rank ahead of Ordinary Shares, equal with RPS and any other equal ranking instruments, but behind all depositors, other creditors and Non-Participating Shares.

There are risks associated with investing in CPS and in Suncorp and the general insurance, banking and wealth management industries generally. The key risks are summarised in Section 1.7 and explained in detail in Section 4.

¹ This VWAP may differ from the Ordinary Share price on or after the Mandatory Conversion Date. This means that the value of Ordinary Shares received may be more or less than \$101.01 when they are issued or thereafter.

² Any Issue Credit Rating of 'BBB-' or higher from Standard & Poor's and Fitch Ratings or 'Baa3' or higher from Moody's is currently considered in capital markets to be investment grade – see Section 3.4 for further information about the credit ratings associated with CPS and Section 4.1.12 for risks associated with credit ratings. None of Standard & Poor's, Moody's or Fitch Ratings has consented to the use of their credit rating references in this Prospectus and they are not liable for any statements in this Prospectus under section 729(1) of the Corporations Act.

1.2 Dividends												
What are Dividends?	<ul style="list-style-type: none"> Dividends on CPS are preferred, non-cumulative, based on a floating rate and expected to be fully franked. Accordingly, Holders are expected to receive a combination of cash Dividends and franking credits. The value and availability of franking credits to a Holder will differ depending on the Holder's particular tax circumstances. Each Holder will only receive the benefit of the franking credits where those credits are able to be claimed in the Holder's tax return. Dividends are scheduled to be paid quarterly in arrears on the Dividend Payment Dates, subject to the Payment Tests – see below. If any Dividend is not franked or only partially franked, Suncorp will increase the amount of the Dividend to fully compensate for the unfranked component, subject to the Payment Tests. Dividends are non-cumulative. If a Dividend or part of a Dividend is not paid on a Dividend Payment Date, Holders have no claim or entitlement in respect of non-payment nor any right to receive that Dividend at any later time (however, the Distribution Restriction may apply in this scenario – see page 12). 	Clause 2 of the Terms										
How will the Dividend Rate be calculated?	<ul style="list-style-type: none"> The Dividend Rate for each Dividend Period will be set on the first Business Day of each Dividend Period and will be calculated using the following formula: <div style="text-align: center; border: 1px solid black; padding: 5px; margin: 10px 0;"> $\text{Dividend Rate} = (\text{Bank Bill Rate} + \text{Margin}) \times (1 - \text{Tax Rate})$ </div> <p>where: Bank Bill Rate means the Bank Bill Rate on the first Business Day of the Dividend Period – see page 11; Margin is 3.2000% per annum – the Margin was determined under the Bookbuild; and Tax Rate is the Australian corporate tax rate applicable to the franking account of Suncorp as at the relevant Dividend Payment Date. <p>What is the impact of franking credits?</p>	<ul style="list-style-type: none"> Dividends are expected to be fully franked and accordingly, Holders are expected to receive a combination of cash Dividends and franking credits. The franking credits represent the Holder's share of tax paid by Suncorp on the profits from which the cash Dividend is paid. If the potential value of the franking credits is taken into account in full, the fully franked Dividend Rate of 7.6767% in the example on page 9 would be equivalent to an unfranked dividend rate of approximately 10.9667%. However, Holders should be aware that the potential value of any franking credits does not accrue at the same time as the receipt of any cash Dividend. Holders should also be aware that the ability to use the franking credits, either as an offset to a tax liability or by claiming a refund after the end of the year of income, will depend on the individual tax position of each Holder. 1.3 Mandatory Conversion		
What is mandatory Conversion?	<ul style="list-style-type: none"> • Subject to satisfaction of the Mandatory Conversion Conditions and where Resale does not occur (see below), Suncorp must Convert all CPS on issue into a variable number of Ordinary Shares on the Mandatory Conversion Date. • Upon Conversion, Holders will receive \$101.01 worth of Ordinary Shares per CPS based on the VWAP of Ordinary Shares during the 20 Business Days before the Mandatory Conversion Date.² 	Clauses 3 and 6 of the Terms
What is Resale?	<ul style="list-style-type: none"> • Alternatively, before a possible Mandatory Conversion Date, Suncorp may choose to arrange that all CPS on issue be acquired from Holders by a third party (Nominated Purchaser) on the possible Mandatory Conversion Date. The obligation of the Nominated Purchaser to pay the purchase price may be subject to conditions. Suncorp will reasonably endeavour to minimise these conditions but gives no assurance as to the details of any such conditions. This process is called Resale. • If Resale is chosen by Suncorp, Holders will be notified and on the possible Mandatory Conversion Date they will receive \$100 from the Nominated Purchaser for each CPS rather than a variable number of Ordinary Shares issued by Suncorp. Resale can occur whether or not the Mandatory Conversion Conditions are satisfied. • If the Nominated Purchaser does not pay the purchase price to Holders, the Resale will not occur, CPS will not Convert and Holders will continue to hold CPS until CPS are otherwise Redeemed, Converted or Resold in accordance with the Terms. This takes the 1% discount for Conversion into account. The Issue Date VWAP means the VWAP of Ordinary Shares during the period of 20 Business Days on which trading in Ordinary Shares took place immediately preceding (but not including) the Issue Date, subject to certain adjustments. Second Mandatory Conversion Condition: the VWAP of Ordinary Shares during the period of 20 Business Days before (but not including) a possible Mandatory Conversion Date is greater than 50.51% of the Issue Date VWAP. This also takes the 1% discount for Conversion into account. This condition partly satisfies one of the criteria that enables CPS to qualify as Non-innovative Residual Tier 1 Capital under APRA's capital adequacy guidelines because the number of Ordinary Shares per CPS that Holders may receive upon mandatory Conversion is capped at a number equal to: <div data-bbox="694 929 949 1008" style="text-align: center; border: 1px solid black; padding: 5px;"> $\frac{\text{Issue Price}}{\text{Issue Date VWAP} \times 0.5}$ </div> This number is known as the Maximum Conversion Number. The First and Second Mandatory Conversion Conditions are intended to provide protection to Holders from receiving less than \$101.01 worth of Ordinary Shares per CPS on Conversion (based on the VWAP of Ordinary Shares during the 20 Business Days before the Mandatory Conversion Date).³ Third Mandatory Conversion Condition: Ordinary Shares remain listed or admitted to trading on ASX, and trading of Ordinary Shares has not been suspended for more than five consecutive Business Days and is continuing at the date of Conversion. The Third Mandatory Conversion Condition is intended to provide protection to Holders to enable them to sell the Ordinary Shares they receive on ASX if they wish to do so. These ordinary shares would be quoted on ASX. • Any consideration by Suncorp to establish a NOHC has only been preliminary and no formal decision has been made to pursue the establishment of a NOHC. • The occurrence of a NOHC Event does not allow Suncorp to immediately Exchange CPS nor allow Holders to request Exchange. 1.7 Potential investment risks		
<p>Before deciding whether to apply for CPS, you should consider whether CPS are a suitable investment for you. There are risks associated with investing in CPS and in Suncorp and in the general insurance, banking and wealth management industries generally. Many of those risks are outside the control of Suncorp and its Directors. A summary of the key risks which are detailed in Section 4 follows.</p>		
Financial market conditions and liquidity	<ul style="list-style-type: none"> • The market price of CPS may change due to various factors that affect financial market conditions. It is possible that CPS may trade at a market price below their Issue Price of \$100. • There may be no liquidity or an illiquid market for CPS. The market for CPS may be less liquid than the market for Ordinary Shares or comparable securities issued by Suncorp or other entities. Holders who wish to sell their CPS may be unable to do so at an acceptable price, or at all, if insufficient liquidity exists in the market for CPS. 	Sections 4.1.1 and 4.1.2
Dividends may not be paid	<ul style="list-style-type: none"> • There is a risk that Dividends will not be paid. If for any reason a scheduled Dividend has not been paid in full within 20 Business Days after the relevant Dividend Payment Date, then the Distribution Restriction will apply. • The Terms contain no events of default and, accordingly, a failure to pay a scheduled Dividend on CPS will not constitute an event of default. Further, in the event that Suncorp does not pay a scheduled Dividend on CPS, a Holder has no right to apply for Suncorp to be wound up and will have no right of set-off or offsetting rights or claim on Suncorp. 	Section 4.1.3
Dividends may not be fully franked	<ul style="list-style-type: none"> • Suncorp expects Dividends to be fully franked. However, there is no guarantee that Suncorp will have sufficient franking credits in the future to fully frank Dividends. • If a Dividend is unfranked or partially franked, the Dividend will be increased to fully compensate for the unfranked component, subject to the Payment Tests. • The value and availability of franking credits to a Holder will differ depending on the Holder’s particular tax circumstances. 	Section 4.1.4
Changes in Dividend Rate	<ul style="list-style-type: none"> • The Dividend Rate will fluctuate (both increasing and decreasing) over time as a result of movements in the Bank Bill Rate. There is a risk that this rate may become less attractive when compared to the rates of return available on comparable securities. 	Section 4.1.5

1.7 Potential investment risks (Cont)		
Mandatory Conversion may not occur	<ul style="list-style-type: none"> CPS are expected to Convert into Ordinary Shares on the Mandatory Conversion Date. However, there is a risk that Conversion will not occur because the Mandatory Conversion Conditions are not satisfied due to a large fall in the Ordinary Share price relative to the Issue Date VWAP, or if Ordinary Shares cease to be quoted on ASX. Mandatory Conversion may therefore not occur when scheduled or at all. 	Section 4.1.7
Ranking	<ul style="list-style-type: none"> CPS are not deposit liabilities of Suncorp or of any other member of the Suncorp Group and do not have the benefit of the depositor protection provisions of the Banking Act. CPS are issued by Suncorp on the Terms and Holders have no claim on Suncorp in respect of CPS except as provided in those Terms. No other member of the Suncorp Group guarantees, supports or otherwise stands behind CPS and a Holder has no claim whatsoever on any other member of the Suncorp Group for payment of any amount in respect of CPS. CPS are not secured. If Suncorp is wound up, Holders rank for payment behind all depositors, creditors and Non-Participating Shares and rank equal with RPS and other equal ranking securities. On a winding-up there is a risk that Holders will not receive a return of capital or payment of any Dividend which has been declared but not paid. 	Section 4.1.11
Suncorp's financial performance and position	<ul style="list-style-type: none"> The market price of CPS (and the Ordinary Shares into which they are expected to Convert) may be affected by Suncorp's financial performance and position. For specific risks associated with an investment in Suncorp and the general insurance, banking and wealth management industries generally, see Section 4.2. Suncorp's financial performance and position may also affect the credit ratings associated with CPS, which may impact the market price and liquidity of CPS. 	Section 4.2

2.6 Allocation policy

2.6.1 Overview

The Allocation policy for Syndicate Brokers and Institutional Investors has been determined under the Bookbuild – see Section 2.6.2. The Joint Lead Managers, in consultation with Suncorp, had the right to nominate the persons to whom CPS were Allocated in the Bookbuild.

Allocations for the Securityholder Offer and the General Offer will be determined by Suncorp and the Joint Lead Managers after the Closing Date – see Section 2.6.4. There is no specified proportion of the Offer that may be allocated to the Securityholder Offer and the General Offer. Suncorp and the Joint Lead Managers reserve the right to scale back Applications from Securityholder Applicants and General Applicants and to treat Applications in excess of \$250,000 as part of the Institutional Offer. Any scale back will be announced on ASX on the day CPS commence trading on a deferred settlement basis – expected to be 13 June 2008. As a result of any scale back, Applicants under the Broker Firm Offer and Institutional Offer will be given priority and as such, Applicants under the Securityholder Offer and General Offer may not be allocated any CPS.

About the Offer

2.6.2 Bookbuild

The Bookbuild is a process that was conducted by the Joint Lead Managers in consultation with Suncorp before the Opening Date to determine the Margin and firm Allocations of CPS to Syndicate Brokers and Institutional Investors. In this process, the Syndicate Brokers (including the Joint Lead Managers, the Senior Co-Manager and Co-Managers) and Institutional Investors were invited to lodge bids for a number of CPS. On the basis of those bids, the Joint Lead Managers and Suncorp have by mutual agreement determined the Margin to be 3.2000% per annum as well as determining firm Allocations to Syndicate Brokers and Institutional Investors. The Bookbuild was conducted in the manner contemplated in this Prospectus and otherwise on the terms and conditions agreed by Suncorp and the Joint Lead Managers in the Offer Management Agreement – see Section 6.6.

2.6.3 Settlement support

The Joint Lead Managers have agreed with Suncorp to provide settlement support for the number of CPS that are Allocated to Syndicate Brokers and Institutional Investors under the Bookbuild. This means that if any of the Syndicate Brokers or Institutional Investors fail to deliver Applications including Application Payments to Suncorp by the Settlement Date (which is one Business Day before the Issue Date), the Joint Lead Managers will be issued with and pay for those CPS.

Under the Offer Management Agreement, as part of this settlement support, the Joint Lead Managers will pay to Suncorp, or procure payment to Suncorp of, the aggregate proceeds raised from Syndicate Brokers and Institutional Investors under the Bookbuild by the Settlement Date.

The Offer Management Agreement may be terminated by the Joint Lead Managers in certain circumstances – see Section 6.6. If the Offer Management Agreement is terminated, Syndicate Brokers and Institutional Investors who participated in the Bookbuild can withdraw their firm Allocations. For details of the fees payable under the Offer Management Agreement – see Section 6.8.

2.6.4 Allocations

Institutional Offer	Allocations to Institutional Investors have been determined by the Joint Lead Managers in consultation with Suncorp.
Broker Firm Offer	Allocations to Syndicate Brokers have been determined by the Joint Lead Managers in consultation with Suncorp. Allocations to Broker Firm Applicants by a Syndicate Broker are at the discretion of that Syndicate Broker.
Securityholder Offer and General Offer	<p>Securityholder Applicants and General Applicants who submit a valid Application Form and Application Payment may receive an Allocation, subject to the right of Suncorp and the Joint Lead Managers to determine the Allocations, when the Offer closes.</p> <p>If there is excess demand for CPS after Allocations to Institutional Investors and Syndicate Brokers, Applicants under the Securityholder Offer will be given priority over General Applicants. Suncorp and the Joint Lead Managers have absolute discretion to determine the method and extent of the priority Allocation to Securityholder Applicants.</p> <p>In particular, Suncorp and the Joint Lead Managers reserve the right (at their discretion) to:</p> <ul style="list-style-type: none">• allocate to any Securityholder Applicant or General Applicant all CPS for which they have applied;• reject any Application by a Securityholder Applicant or General Applicant; or• allocate to any Securityholder Applicant or General Applicant a lesser number of CPS than that applied for, including less than the minimum Application of CPS or none at all. <p>No assurance is given that any Securityholder Applicant or General Applicant will receive an Allocation.</p>

2.7 ASX quotation, Holding Statements and other information

2.7.1 ASX quotation

Suncorp has applied to ASX for CPS to be quoted on ASX. If ASX does not grant permission for CPS to be quoted within three months after the date of the Original Prospectus, CPS will not be issued and all Application Payments will be refunded (without interest) to Applicants as soon as practicable.

It is expected that CPS will begin trading on ASX on a deferred settlement basis on 13 June 2008 under ASX code 'SUNPB'. Trading is expected to continue on that basis until 19 June 2008, when it is anticipated that trading of CPS will begin on a normal settlement basis. Deferred settlement will occur as a consequence of trading which takes place before entries are made by the Registry in respect of your holdings of CPS and before Holding Statements are despatched to successful Applicants.

You are responsible for confirming your holding before trading in CPS. If you are a successful Applicant and you sell your CPS before you receive your Holding Statement, you do so at your own risk.

You may call the Suncorp CPS InfoLine on 1300 665 385 (Monday to Friday – 8.30am to 5.30pm) or your Syndicate Broker after the Issue Date to enquire about your Allocation.

2.7.2 Holding Statements

Suncorp will apply for CPS to participate in CHESS. No certificates will be issued for CPS. Suncorp expects that Holding Statements will be despatched to successful Applicants by 18 June 2008.

2.7.3 Provision of bank account details for Dividends

Suncorp will pay your Dividends directly into an Australian dollar account of a financial institution nominated by you.

If you are allotted any CPS, when you are sent your Holding Statement you will receive a form on which you can provide your Australian dollar financial institution account details.

About the Offer

2.7.4 Provision of Tax File Number or Australian Business Number

If you are issued any CPS, then the Registry will provide you with a form (when your Holding Statement is despatched to you) that will request that you provide your Tax File Number (TFN), Australian Business Number (ABN) or both.

The collection and quotation of TFNs and ABNs is authorised, and their use and disclosure is strictly regulated, by tax laws and the Privacy Act.

You do not have to provide your TFN or ABN and it is not an offence if you fail to do so. However, Suncorp may be required to withhold Australian tax at the maximum marginal tax rate (currently 46.5% including the Medicare levy) on the amount of any Dividend unless you provide one of the following:

- TFN;
- TFN exemption number (if applicable); or
- ABN (if CPS are held in the course of an enterprise carried on by you).

Successful Applicants who do not have a registered address in Australia with the Registry may be subject to Australian withholding tax on the amount of any Dividend paid.

About Suncorp

3.1 Overview of Suncorp

3.1.1 Introduction

Suncorp is the parent entity of the Suncorp Group. The Suncorp Group includes Australia's third largest general insurance group and sixth largest listed bank (based on the size of its loan assets), with an ASX market capitalisation of \$15 billion as at 13 May 2008.

The Suncorp Group's primary businesses are general insurance, banking and wealth management. The banking business is carried out by Suncorp while the general insurance and wealth management businesses are carried out by wholly owned subsidiaries.

As at 31 December 2007, the Suncorp Group had assets of approximately \$92 billion, funds under management of over \$27 billion and approximately 7 million customers in Australia and New Zealand.

Suncorp's headquarters are in Brisbane, Queensland. The Suncorp Group has 177 retail outlets and 60 business banking outlets, predominantly in Queensland. As at 31 December 2007, the Suncorp Group employed approximately 16,450 full time equivalent employees.

The three main business divisions of the Suncorp Group are detailed as follows:

General insurance

The Suncorp Group's general insurance business provides personal insurance products such as home and contents, motor and compulsory third party personal insurances, a range of commercial insurance products for small to medium sized businesses and workers compensation insurance. These insurance products are provided to approximately 6 million customers across Australia and New Zealand. Premium revenue for the half year ended 31 December 2007 was over \$3.1 billion.

Banking

Suncorp is Australia's sixth largest ASX listed bank (based on the size of its loan assets), with \$69 billion in assets as at 31 December 2007.

Suncorp's retail banking provides home and personal loans, transaction savings and investment accounts, margin lending, credit cards and foreign exchange services to more than 800,000 customers nationally through 177 retail outlets, call centres, internet banking and ATMs.

Suncorp's business banking focuses on commercial banking, corporate banking, property investment, development finance, equipment finance and agribusiness.

Wealth management

Following the Promina merger (see Section 3.1.3), the Suncorp Group now owns a trans-Tasman financial services business, which includes Suncorp Wealth Management and Financial Planning, and brands such as Asteron (Australia and New Zealand), Tyndall (Australia and New Zealand), Standard Pacific, Guardian Financial Planning, Guardian Trust (New Zealand) and Cameron Walshe.

The wealth management business provides superannuation (personal and employer sponsored), managed investments (unit trusts and wrap services), life insurance (death, trauma and disability) and financial planning advice to approximately 600,000 individual and small business customers.

About Suncorp

3.1.2 Suncorp's financial results for the half year ended 31 December 2007

Suncorp reported a net profit after tax of \$382 million for the half year ended 31 December 2007, down 28.9% from the previous half year, primarily as a result of the impact of a number of significant weather events and volatility in global credit and equity markets. Profit before tax and items relating to the Promina merger was down 19.9% to \$616 million from the prior corresponding period.

General insurance half year profit before tax and Promina merger items was \$172 million with an insurance trading ratio for the half year of 5.1%, reflecting a number of external events occurring during the half.

Banking half year profit before tax was up 9.6% to \$307 million from the prior period, reflecting above system lending growth in all segments, despite substantially increased funding costs.

Wealth management's half year profit before tax and Promina merger items was \$125 million, down 4.6% on the prior half primarily as a result of volatility in global credit and equity markets.

Suncorp declared an interim fully franked dividend of 52 cents per Ordinary Share, with the dividend reinvestment plan underwritten to 65%.

As previously advised to the market, the second half results have been impacted by the costs associated with the February 2008 flooding in Mackay and North Queensland, which Suncorp anticipates will cost \$100 million net of reinsurance recoveries. The second half results may also be impacted by the continued volatility in financial markets through deterioration in credit spreads and equities markets and other weather events outside normal provisions.

For a summary of Suncorp's financial information – see Section 3.2.

3.1.3 Summary of Suncorp's merger with Promina

On 20 March 2007, the Suncorp Group completed its merger with Promina. The assessed merger consideration was \$7,908 million, represented by \$1,896 million in cash and the issue of 280 million Ordinary Shares in Suncorp to Promina shareholders. The merger with Promina significantly expanded the Suncorp Group's product offering in general insurance and wealth management across Australia and New Zealand.

The Suncorp Group is currently integrating Promina.

The integration program consists of three phases, which are:

- **Phase 1:** Settling in phase – understanding the brands and business that now form part of the larger Suncorp Group;
- **Phase 2:** Design phase – developing a portfolio of integration initiatives which would realise the benefits of bringing the two businesses together; and
- **Phase 3:** Implementation phase – implementing the agreed integration initiatives and ensuring benefits are delivered.

During the half year to 31 December 2007, the Suncorp Group completed Phase 2 of its integration with Promina.

3.3 Capital management initiatives and capital adequacy ratios

3.3.1 APRA and capital adequacy ratios

The Australian Prudential Regulation Authority (APRA) is the prudential regulator of the Australian financial services industry. It oversees banks, credit unions, building societies, general insurance and reinsurance companies, life insurance companies, friendly societies, and most members of the superannuation industry. APRA's website at www.apra.gov.au includes further details of its functions and Prudential Standards.

Suncorp is regulated by APRA because of its status as an authorised deposit-taking institution (ADI). Members of the Suncorp Group are also regulated by APRA as insurers. APRA's Prudential Standards aim to ensure that ADIs (including Suncorp) maintain adequate capital to support the risks associated with their activities on both a stand-alone and group basis. The capital adequacy ratio is the ratio of regulatory capital to risk-weighted assets (as defined by APRA). The minimum capital adequacy ratio prescribed by APRA for the Suncorp Banking Group is 9.5%. Suncorp's internal target range for its capital adequacy ratio is 10.00% - 10.50%. As at 31 December 2007, Suncorp's capital adequacy ratio was 10.84%, which exceeds APRA's requirements.

The effect of the Offer on Suncorp's capital adequacy ratio is set out in Section 3.3.5.

3.3.2 Basel II

Basel II is the common name for a framework issued by Bank of International Settlements' Basel Committee on Banking Supervision for the calculation of capital adequacy for banks. The objective of the Basel II framework is to develop capital adequacy guidelines that are more accurately aligned with the individual risk profile of banks. The Basel II framework is based on three 'pillars':

- Pillar one covers the capital requirements for banks;
- Pillar two covers the supervisory review process; and
- Pillar three relates to market disclosure.

Suncorp is now reporting for regulatory capital purposes under the Basel II standardised approach in accordance with APRA's requirements.

Improved measurement and the management of risk is now being driven through the implementation of the Basel II capital requirements across the Suncorp Banking Group.

3.3.3 Tier 1 Capital

APRA classifies an ADI's regulatory capital into two tiers for its supervisory purposes – referred to as Tier 1 Capital and Tier 2 Capital. APRA requires at least half of regulatory capital to be in the form of Tier 1 Capital, with the remainder being in the form of Tier 2 Capital.

Tier 1 Capital consists of paid up ordinary shares, general reserves, retained earnings, non-cumulative preference shares and other hybrid capital securities not redeemable at the

holder's option (as approved by APRA) together with minority interests, but excludes retained earnings and reserves of subsidiaries and associates that are not consolidated for capital adequacy purposes. APRA designates certain components of Tier 1 Capital as fundamental Tier 1 Capital, and the remainder as Residual Tier 1 Capital. Residual Tier 1 Capital (which may constitute up to 25% of net Tier 1 Capital) is separated into:

- Non-innovative Residual Tier 1 Capital; and
- Innovative Tier 1 Capital (which may constitute up to 15% of net Tier 1 Capital).

APRA has provided confirmation that CPS will, once issued, qualify for Non-innovative Residual Tier 1 Capital treatment under current Prudential Standards at the date of this Prospectus.

3.3.5 Pro forma consolidated capital adequacy position as at 31 December 2007

The pro forma consolidated capital adequacy position set out below was derived from the 31 December 2007 actual capital adequacy position reported to APRA, after adjusting for pro forma adjustments.

Notes:

- 1 \$205 million of Ordinary Shares were issued on 9 April 2008 pursuant to the underwritten component of the dividend reinvestment plan on Suncorp's dividend on Ordinary shares paid on 1 April 2008. The shares issued pursuant to the underwritten component of the dividend reinvestment plan are included from that date in fundamental Tier 1 Capital. Suncorp's dividend on Ordinary Shares paid on 1 April 2008 and the underlying dividend reinvestment plan participation of \$110 million had been fully accrued for regulatory capital purposes in the 31 December 2007 actual capital adequacy position.
- 2 The expected intragroup dividends from the general insurance businesses to Suncorp were reduced by \$150 million due to increased claims experience following the Mackay floods as well as continuing adverse equity market conditions.
- 3 Assumes the issue of \$700 million of CPS with net issue expenses of \$15 million. The actual issue amount may be less than \$700 million.
- 4 The change to capital deductions relates to a change in the Prudential Standards from 1 January 2008 which requires 50% of capital deductions to be deducted from Tier 1 Capital and 50% of capital deductions to be deducted from Tier 2 Capital.
- 5 The inclusion of Lower Tier 2 capital in excess of 50% of Net Tier 1 capital is in accordance with transitional relief provided by APRA until June 2009.
- 6 Suncorp's capital adequacy position at 31 December 2007 is calculated based on the Prudential Standards effective at that date. From 1 January 2008, risk-weighted exposures must be calculated using the Basel II methodology discussed in Section 3.3.2. The pro forma capital adequacy position does not include the impact of adopting Basel II on Suncorp's risk-weighted exposures. Suncorp anticipates that the value of risk-weighted exposures will increase by less than 3% as a result of the implementation of the Basel II standardised approach.

About Suncorp

3.4 Credit ratings

Suncorp and its subsidiaries have been rated by Standard & Poor's, Moody's and Fitch Ratings. Those ratings that are current at the date of this Prospectus and are relevant to the Offer are as follows:

Credit rating type	Standard & Poor's	Moody's	Fitch Ratings
CPS – Provisional Issue Credit Ratings	'A-'	'A2'	'A-'
Suncorp – Long-term credit ratings	'A+'	'Aa3'	'A+'

CPS Issue Credit Ratings were issued by Standard & Poor's and Fitch Ratings on 29 April 2008.

A provisional CPS Issue Credit Rating was issued by Moody's on 29 April 2008. This rating is provisional and Moody's has indicated that it will be assigned to CPS upon their issue subject to no material changes occurring to the Offer structure or documentation.

Suncorp's long-term credit ratings were affirmed by Standard & Poor's on 19 March 2008, by Moody's on 4 May 2007 and by Fitch Ratings on 20 March 2007.

These credit rating references are current but may be revised, withdrawn or suspended by the relevant credit rating agency at any time. These credit rating references are not a recommendation by the relevant credit rating agency to apply for CPS offered under this Prospectus. None of Standard & Poor's, Moody's or Fitch Ratings has consented to the use of their credit rating references in this Prospectus and they are not liable for any statements in this Prospectus under section 729(1) of the Corporations Act.

For a description of what each of these ratings mean, see Sections 3.4.1 and 3.4.2 below.

Ratings are statements of opinion, not statements of fact or recommendations to buy, hold or sell any securities (including CPS). Ratings may be changed, withdrawn or suspended at any time. In Australia, credit ratings are assigned by Standard & Poor's, Moody's and Fitch Ratings, none of which hold an AFSL under the Corporations Act.

As at the date of this Prospectus, Suncorp has not approached any other rating agency for a rating of CPS.

3.4.1 CPS – Issue Credit Ratings

An Issue Credit Rating is a current opinion of the creditworthiness of an obligor with respect to a specific financial obligation, a specific class of financial obligations, or a specific financial program.

Standard & Poor's

Issues rated 'BBB-' or higher by Standard & Poor's are generally considered in capital markets to be investment grade. CPS have been assigned an Issue Credit Rating of 'A-' by Standard & Poor's and will therefore be investment grade once issued. An obligation rated 'A' is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitment on the obligation is still strong.

Standard & Poor's ratings from 'AA' to 'CCC' may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the major rating categories.

Moody's

Issues rated 'Baa3' or higher by Moody's are generally considered in capital markets to be investment grade. CPS have been assigned a provisional Issue Credit Rating of 'A2' by Moody's and are therefore expected to be investment grade once issued. Obligations rated 'A' are considered upper-medium grade and are subject to low credit risk.

Moody's appends numerical modifiers 1, 2 and 3 to each generic rating classification from 'Aa' through 'Caa'. The modifier 1 indicates that the obligation ranks in the higher end of its generic category; the modifier 2 indicates mid-range ranking; and the modifier 3 indicates a ranking in the lower end of that generic category.

Fitch Ratings

Issues rated 'BBB-' or higher by Fitch Ratings are generally considered in capital markets to be investment grade. CPS have been assigned an Issue Credit Rating of 'A-' by Fitch Ratings and will therefore be investment grade once issued. 'A' ratings denote expectations of low credit risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to changes in circumstances or in economic conditions than is the case for higher ratings.

Fitch Ratings ratings from 'AA' to 'CCC' may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the major rating categories.

3.4.2 Suncorp long-term credit ratings

A long-term credit rating is a current opinion of an obligor's overall financial capacity to pay its financial obligations (that is, its creditworthiness).

Standard & Poor's

The Standard & Poor's long-term credit rating for Suncorp is 'A+'. An obligation rated 'A' is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitment on the obligation is still strong.

The outlook applied to Suncorp's long-term credit rating above is 'Outlook Positive' which indicates that the rating may be raised.

Moody's

The Moody's long-term credit rating for Suncorp is 'Aa3'. Obligations rated 'Aa' are judged to be of high quality and are subject to very low credit risk.

The outlook applied to Suncorp's long-term credit rating above is 'Outlook Stable' which indicates that the rating is not likely to change.

Fitch Ratings

The Fitch Ratings long-term credit rating for Suncorp is 'A+'. 'A' ratings denote expectations of low credit risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to changes in circumstances or in economic conditions than is the case for higher ratings.

The outlook applied to Suncorp's long-term credit rating above is 'Outlook Stable' which indicates that the rating is not likely to change.

4. Investment risks

This Section describes some of the potential risks associated with an investment in CPS and in Suncorp and the general insurance, banking and wealth management industries more generally.

Before applying for CPS, you should consider whether CPS are a suitable investment for you. There are risks associated with an investment in CPS, many of which are outside the control of Suncorp and its Directors. These risks include those in this Section and other matters referred to in this Prospectus.

4.1 Risks associated with investing in CPS

4.1.1 Liquidity

There may be no liquidity or a liquid market for CPS. The market for CPS may be less liquid than the market for Ordinary Shares or comparable securities issued by Suncorp or other entities. Holders who wish to sell their CPS may be unable to do so at an acceptable price, or at all, if insufficient liquidity exists in the market for CPS.

CPS will Convert into Ordinary Shares on 14 June 2013 (subject to certain conditions being satisfied). There may be no liquidity or a liquid market for Ordinary Shares at the time of Conversion or the market for Ordinary Shares may be less liquid than that for comparable securities issued by other entities at the time of Conversion.

4.1.2 Financial market conditions

The market price of CPS may fluctuate due to various factors, including investor perceptions, worldwide economic conditions, interest rates, movements in the market price of Ordinary Shares, senior or subordinated debt, and factors that may affect Suncorp's financial performance and position. CPS may trade at a market price below the Issue Price.

The market price of CPS may be more sensitive than that of Ordinary Shares to changes in interest rates. Increases in relevant interest rates may adversely affect the market price of CPS.

The Ordinary Shares held as a result of any Conversion of CPS will, following Conversion, rank equal with existing Ordinary Shares. Accordingly, the ongoing value of any Ordinary Shares received upon Conversion will depend upon the market price of Ordinary Shares after the Mandatory Conversion Date or Exchange Date.

4.1.3 Dividends may not be paid

There is a risk that Dividends will not be paid. CPS are not debt securities and accordingly do not oblige Suncorp to pay interest.

The payment of Dividends is subject to the Payment Tests – see Section 1.2. The Payment Tests require, among other things, that the Directors, at their absolute discretion, determine a Dividend to be paid and that Suncorp has sufficient profits available to pay the Dividend. There is a risk that one or more elements of the Payment Tests will not be satisfied, and there is therefore a risk that a Dividend may not be paid in full or at all.

The Terms contain no events of default and, accordingly, failure to pay a Dividend on CPS when scheduled will not constitute an event of default. Further, in the event that Suncorp does not pay a Dividend when scheduled on CPS a Holder:

- has no right to apply for Suncorp to be wound up, or placed in administration, or cause a receiver or a receiver and manager to be appointed in respect of Suncorp merely on the grounds that Suncorp does not pay a Dividend when scheduled under CPS; and
- will have no right of set-off or offsetting rights or claims on Suncorp.

Dividends are non-cumulative, and therefore if a Dividend is not paid Holders will have no recourse whatsoever to payment from Suncorp and will not receive payment of those Dividends unless the Directors, at their absolute discretion and with the prior written approval of APRA, determine to pay an Optional Dividend at a later time.

However, if Suncorp does not declare a Dividend or pay a declared Dividend in full within 20 Business Days of a Dividend Payment Date, then the Dividend Restriction applies to Suncorp – see Section 1.2 for more details.

Suncorp may also be prevented from paying Dividends by the terms of other securities (such as Tier 1 Capital and Upper Tier 2 Capital securities) if a dividend or other distribution has not been paid on those securities. If such a constraint applies, Suncorp may not be able to pay Dividends on CPS without the approval of the holders of those other securities – see Section 4.1.6.

4.1.4 Dividends may not be fully franked

Suncorp expects Dividends to be fully franked. However, there is no guarantee that Suncorp will have sufficient franking credits in the future to fully frank Dividends.

If a Dividend is unfranked or partially franked, any Dividend paid will be increased to fully compensate for the unfranked component, subject to the Payment Tests – see Section 1.2.

The value and availability of franking credits to a Holder will differ depending on the Holder's particular tax circumstances. Holders should be aware that the potential value of any franking credits does not accrue at the same time as the receipt of any cash Dividend. Holders should also be aware that the ability to use the franking credits, either as an offset to a tax liability or by claiming a refund after the end of the year of income, will depend on the individual tax position of each Holder. Holders should also refer to the Tax Letter in Section 5 and seek professional advice in relation to their tax position.

Investment risks

4.1.5 Changes in Dividend Rate

The Dividend Rate is calculated for each Dividend Period by reference to the Bank Bill Rate, which is influenced by a number of factors and varies over time. The Dividend Rate will fluctuate (both increasing and decreasing) over time as a result of movements in the Bank Bill Rate – see Section 1.2.

As the Dividend Rate fluctuates, there is a risk that it may become less attractive when compared to the rates of return available on comparable securities issued by Suncorp or other entities.

4.1.6 Distributions on CPS may be restricted by the terms of other similar securities

The terms of some of Suncorp's outstanding securities could limit Suncorp's ability to make payments on CPS. If Suncorp does not make payments on CPS, payments may not be permitted to be made in respect of other similar capital securities (such as certain other Tier 1 Capital and Upper Tier 2 Capital securities). Similarly, if Suncorp does not make payments on other similar securities, payments may not be permitted to be made in respect of CPS.

If these restrictions apply to payments on CPS, Suncorp may not be able to pay Dividends when scheduled to do so under the Terms and may not be able to Redeem CPS. Suncorp is not restricted from issuing other securities of this kind or from agreeing in such other securities to further distribution restrictions.

4.1.7 Mandatory Conversion may not occur on the initial Mandatory Conversion Date or at all

CPS will Convert into Ordinary Shares on 14 June 2013 (subject to certain conditions being satisfied). However there is a risk that Conversion will not occur because the Mandatory Conversion Conditions are not satisfied due to a large fall in the Ordinary Share price relative to the Issue Date VWAP, or if Ordinary Shares cease to be quoted on ASX. Mandatory Conversion would then occur on the next Dividend Payment Date on which all of the Mandatory Conversion Conditions are satisfied.

Suncorp may choose to arrange for a Resale to occur from Holders to the Nominated Purchaser on a possible Mandatory Conversion Date, which would mean Holders would receive \$100 for each CPS that was Resold rather than a variable number of Ordinary Shares upon Conversion. Resale is not subject to the Mandatory Conversion Conditions.

The choice to arrange for the Resale of CPS from Holders to the Nominated Purchaser may not coincide with a Holder's individual preference in terms of timing or whether the Holder

receives Ordinary Shares or cash on the possible Mandatory Conversion Date. This may be disadvantageous to the Holder in light of market conditions or individual circumstances at the time.

In the case of mandatory Conversion not occurring on a possible Mandatory Conversion Date, Dividends will continue to be paid on CPS, subject to the Payment Tests.

4.1.8 Resale may not complete

If Suncorp chooses to Resell CPS, Suncorp will appoint one or more Nominated Purchasers to acquire all CPS for cash equal to \$100 per CPS based on the terms and conditions agreed between Suncorp and the Nominated Purchaser. It will be the Nominated Purchaser's obligation to pay the consideration to Holders for CPS that are to be Resold. The obligation of a Nominated Purchaser to pay the aggregate purchase price to Holders may be subject to conditions. Although Suncorp will reasonably endeavour to minimise these conditions, Suncorp can give no assurance as to the details of any such conditions. Suncorp will have no obligation to pay this amount if it is not paid by the Nominated Purchaser (whether because a condition is not satisfied or otherwise). Accordingly, there is a risk that despite Suncorp appointing the Nominated Purchaser, they may not deliver cash equal to \$100 for each CPS to be Resold.

If the Nominated Purchaser does not pay cash equal to \$100 for each CPS to be Resold, or the Resale otherwise does not complete, if CPS would otherwise Convert on that date they will not Convert on that date and Holders will continue to hold CPS until CPS are otherwise Redeemed, Converted or Resold in accordance with the Terms.

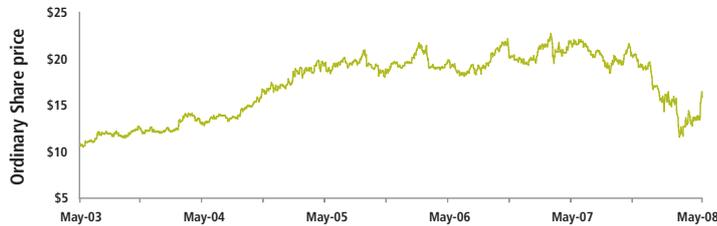

In addition, Suncorp may, subject to APRA's prior written approval, choose to Exchange CPS at a later date by giving a new Exchange Notice. The new timing and Exchange Method chosen by Suncorp may be disadvantageous to the Holder in light of market conditions or individual circumstances at the time of Exchange.

4.1.9 Fluctuation in Ordinary Share price

Upon Conversion, Holders will receive \$101.01 worth of Ordinary Shares per CPS (based on the VWAP of Ordinary Shares during the 20 Business Days before the Mandatory Conversion Date).¹ The market price of Ordinary Shares will fluctuate due to various factors, including investor perceptions, domestic and worldwide economics and Suncorp's financial performance and position – see Section 4.1.2. As a result, the value of Ordinary Shares received upon Conversion may be greater than or less than \$101.01 per CPS going forward.

¹ The VWAP of Ordinary Shares during the 20 Business Days before the Mandatory Conversion Date that is used to calculate the number of Ordinary Shares that Holders receive may differ from the Ordinary Share price on or after the Mandatory Conversion Date. This means that the value of Ordinary Shares received may be more or less than \$101.01 when they are issued or thereafter.

Ordinary Share price over the last five years

4.1.10 Conversion

The only conditions to Conversion are the Mandatory Conversion Conditions and Optional Conversion Conditions. No other conditions will affect the Conversion except as expressly provided by the Terms – see clause 9.9 of the Terms.

Although one condition to Conversion is that a Delisting Event has not occurred, other events and conditions may affect the ability of Holders to trade or dispose of the Ordinary Shares issued on Conversion, for example, the willingness or ability of ASX to accept the Ordinary Shares issued on Conversion for listing or any practical issues which affect that listing, any disruption to the market for the Ordinary Shares or to capital markets generally, the availability of purchasers for Ordinary Shares and any costs or practicalities associated with trading or disposing of Ordinary Shares at that time.

4.1.11 Restrictions on rights and ranking in a winding-up

CPS are not deposit liabilities of Suncorp and the payment of Dividends and payment on Resale or Redemption is not guaranteed by Suncorp, or any other members of the Suncorp Group. CPS are not subject to the deposit protection provisions of the Banking Act. CPS are issued by Suncorp under the Terms. A Holder has no claim on Suncorp in respect of CPS except as provided in the Terms. Holders have no claim whatsoever on any other member of the Suncorp Group for payment of any amount in respect of CPS. CPS are unsecured.

In the event of a winding-up of Suncorp, and assuming CPS have not been Exchanged, Holders will be entitled to be paid the Liquidation Sum for each CPS. This is an amount for each CPS up to \$100 in respect of its Issue Price and any Dividend determined to be paid but unpaid at the commencement of the winding-up of Suncorp. The claim for the Liquidation Sum ranks ahead of Ordinary Shares and equal with RPS and any other capital in Suncorp ranking equal with CPS, but behind all depositors, other creditors and Non-Participating Shares. Claims in respect of CPS are subordinated, in and notwithstanding a winding-up of Suncorp, so as to rank as preference shares.

If there is a shortfall of funds on a winding-up to pay the amounts above, there is a risk that Holders will not receive a full (or any part of the) Liquidation Sum in a winding-up of Suncorp.

4.1.12 Credit ratings

Suncorp has been assigned a long-term credit rating of 'A+' by Standard and Poor's, 'Aa3' by Moody's and 'A+' by Fitch Ratings. CPS have been provisionally assigned an Issue Credit Rating of 'A-' by Standard and Poor's, 'A2' by Moody's and 'A-' by Fitch Ratings – see Section 3.4.

There is a risk that:

- any of the long-term credit ratings assigned to Suncorp could be withdrawn, reviewed or downgraded; or
- any of the provisional Issue Credit Ratings assigned to CPS could be withdrawn, reviewed or downgraded,

either of which may impact the market price and liquidity of CPS.

Credit ratings are not 'market' ratings, nor are they a recommendation to buy, hold or sell securities and are subject to revision or withdrawal at any time.

The credit ratings may not reflect the potential impact of all risks related to the structure under which CPS are issued, market and additional factors discussed in this Section 4, and other factors that may affect the value of CPS or Suncorp's financial performance or position.

Investment risks

4.1.13 Regulatory classification

APRA has provided confirmation that CPS will, once issued, qualify for Non-innovative Residual Tier 1 Capital treatment under current Prudential Standards at the date of this Prospectus. However, if APRA subsequently determines that CPS are not or will not qualify for Non-innovative Residual Tier 1 Capital treatment, Suncorp may decide that a Regulatory Event has occurred. This will allow Exchange of all CPS on issue at the option of Suncorp (subject to APRA's written approval). For the risks attaching to Suncorp's discretion of Exchange in certain specified circumstances – see Section 4.1.15.

4.1.14 Australian tax consequences

A general outline of the tax consequences of investing in CPS for certain potential investors who are Australian residents for tax purposes is set out in the Tax Letter in Section 5. This discussion is in general terms and is not intended to provide specific advice addressing the circumstances of any particular potential investor. Accordingly, potential investors should seek independent advice concerning their own individual tax position.

If a change is made to the Australian tax system and that change leads to a more than insubstantial risk of:

- a significant increase in Suncorp's costs in relation to CPS being on issue;
- a dividend on CPS not being frankable; or
- franking credits not being available to Holders,

Suncorp is entitled to Exchange CPS – see Section 4.1.15.

Suncorp has applied for a class ruling from the Australian Taxation Office for confirmation of certain tax consequences for Holders as discussed in the Tax Letter in Section 5. The date of issue of any class ruling is not currently known.

4.1.15 Exchange by Suncorp is subject to certain events occurring

Suncorp may choose to Exchange CPS after a Tax Event or Regulatory Event. A Holder has no right to require an Exchange of CPS.

The Exchange Method chosen by Suncorp for Exchange and in some cases the act of Exchange itself is subject in all cases to APRA giving its prior written approval to that choice. The choice of Conversion as the Exchange Method is also subject to the level of the Ordinary Share price on the second Business Day before the date on which an Exchange Notice is to be sent by Suncorp. If the VWAP on that date is less than 55.55% (this takes the 1% discount for Conversion into account) of the Issue Date VWAP, Suncorp must not choose Conversion as the Exchange Method. Also if a Delisting Event has occurred before that date and is continuing, Suncorp may not choose Conversion as the Exchange Method.

The conditions to Conversion on the Exchange Date are that the Second Mandatory Conversion Condition and the Third Mandatory Conversion Condition must both be satisfied in respect of the Exchange Date as if the Exchange Date were a possible Mandatory Conversion Date.

If the conditions to Conversion on the Exchange Date are not satisfied, Suncorp will notify Holders and the Conversion will be deferred until the first Dividend Payment Date on which the Mandatory Conversion Conditions would be satisfied if that Dividend Payment Date were a possible Mandatory Conversion Date.

The Exchange Method that is chosen by Suncorp (and whether APRA gives its approval) may not coincide with a Holder's individual preference in terms of timing or whether the Holder receives Ordinary Shares or cash on Exchange. This may be disadvantageous to the Holder in light of market conditions or individual circumstances at the time of Exchange.

4.1.16 Exchange on Acquisition Event

If an Acquisition Event occurs, Suncorp is required to Exchange CPS in accordance with the Terms (see clause 5 of the Terms). However, the obligation of Suncorp to Exchange CPS is subject to obtaining APRA's prior written approval. APRA is not obliged to give this consent and, depending on the facts and circumstances existing at the time of any Acquisition Event, may not do so. If the Directors consider that APRA will not approve the Exchange, the Directors are required to use all reasonable endeavours to procure that equivalent takeover offers are made to Holders or that they are entitled to participate in the scheme of arrangement or a similar transaction (see clause 11 of the Terms). However, any acquirer of Suncorp may not agree to do so.

In addition, the ability of Suncorp to Exchange CPS may be subject to restrictions in other similar capital securities (see Section 4.1.6) and to the satisfaction of requirements under the Corporations Act (which, depending on the method used to effect the Exchange, may include a requirement to obtain the approval of Suncorp's shareholders or for Suncorp to have sufficient profits or proceeds of a new issue of shares to fund that Exchange). If APRA does not give its approval, or if other restrictions apply or other requirements are not satisfied, Suncorp will not be able to Exchange CPS.

4.1.17 Future issue of securities by Suncorp

Suncorp and other members of the Suncorp Group may in the future issue securities that:

- rank for dividends or payments of capital (including on the winding-up of Suncorp or another member of the Suncorp Group) equal with, behind or ahead of;
- have the same or different dividend, interest or dividend rates as;
- have payment restrictions or other covenants which affect; or
- have the same or different terms and conditions as,

CPS.

An investment in CPS carries no right to participate in any future issue of securities (whether equity, hybrid, debt or otherwise) by any member of the Suncorp Group.

No prediction can be made to the effect, if any, such future issue of securities by an entity in the Suncorp Group may have on the market price or liquidity of CPS.

4.1.18 NOHC Event

Certain events which would otherwise constitute Acquisition Events are categorised under the Terms as NOHC Events. Where a NOHC Event occurs and certain other conditions are satisfied, the NOHC Event will not trigger an Exchange of CPS but will instead require Suncorp to make amendments to substitute the NOHC as the issuer of the ordinary shares issued on Conversion and will permit Suncorp to make certain other amendments to the Terms. Accordingly, potential investors should be aware that, if a NOHC is implemented and a substitution of the issuer of the ordinary shares on Conversion is effected under the Terms, Holders will be obliged to accept the NOHC ordinary shares and will not receive Ordinary Shares in Suncorp on Conversion.

Potential investors should also be aware that Holders may not get a right to vote on any proposal to approve, implement or give effect to a NOHC Event.

Any consideration by Suncorp to establish a NOHC has only been preliminary and no formal decision has been made to pursue the establishment of a NOHC.

Under a NOHC, the Suncorp Group would continue to be regulated by APRA. However, depending on the structure of any NOHC (if implemented) and the capital framework which APRA determines to apply to it, implementing a NOHC structure may affect the composition of the Suncorp Group's three capital measurement levels, which in turn may affect the likelihood of Suncorp or the Suncorp Banking Group having Distributable Profits in an amount sufficient to enable Dividends to be paid on CPS. It may also affect the net assets of Suncorp and, accordingly, the likelihood Holders will receive their claims in full if Suncorp is wound up.

4.1.19 Shareholding limits

The Financial Sector (Shareholdings) Act 1998 (Cth) restricts ownership by people (together with their associates) of an Australian bank, such as Suncorp, to a 15% stake. A shareholder may apply to the Australian Treasurer to extend their ownership beyond 15%, but approval will not be granted unless the Treasurer is satisfied that a holding by that person greater than 15% is in the national interest.

Mergers, acquisitions and divestments of Australian public companies listed on ASX (such as Suncorp) are regulated by detailed and comprehensive legislation and the rules and regulations of ASX. These provisions include restrictions on the acquisition and sale of relevant interests in certain shares in an Australian listed company under the Corporations Act and a requirement that acquisitions of certain interests in Australian listed companies by foreign interests are subject to review and approval by the Treasurer. In addition, Australian law also regulates acquisitions which would have the effect, or be likely to have the effect, of substantially lessening competition in a market in Australia, in a state or in a territory of Australia.

Holdes should take care to ensure that by acquiring any CPS (taking into account any Ordinary Shares into which they may Convert) Holders do not breach any applicable restrictions on ownership.

Investment risks

4.2 Risks associated with the Suncorp Group and the general insurance, banking and wealth management industries

4.2.1 Dependence on the domestic economy

As the Suncorp Group conducts all of its business in Australia and New Zealand, its performance is influenced by the level and cyclical nature of business activity in Australia and New Zealand and, in particular, the State of Queensland, where its business is concentrated. The Suncorp Group's business activity is also influenced by both domestic and international economic and political events. There can be no assurance that a weakening in either/both of the Australian and New Zealand economies, and the Queensland economy in particular, will not have a material adverse effect on the Suncorp Group's financial condition and results of operations.

4.2.2 Competition

The Suncorp Group faces intense competition in all aspects of its business. The Suncorp Group's banking business competes vigorously, with both traditional banking groups and non-bank financial institutions. The Suncorp Group's general insurance and wealth management businesses also compete with a number of insurance companies and asset managers in Australia. The level of competition continues to increase as the trend toward consolidation in the global financial services industry is creating competitors with broader ranges of products and services, increased access to capital, greater efficiency and enhanced pricing power. As a number of the Suncorp Group's competitors are significantly larger and have greater resources, the Suncorp Group could lose market share or be forced to reduce prices in order to compete effectively, if industry participants engage in aggressive growth strategies or severe price discounting.

4.2.3 Promina merger

As discussed in Section 3.1.3, Suncorp finalised its merger with Promina on 20 March 2007. The integration of the Promina businesses into Suncorp is ongoing and involves assimilation of new operations, new information technology and new personnel and may cause dissipation of the Suncorp Group's management resources.

Suncorp have estimated ongoing synergies from the merger and a total integration cost. The synergies actually achieved may be more or less than these estimates, which may have a beneficial or adverse effect on Suncorp.

4.2.4 Mergers and acquisitions

The Suncorp Group may in the future seek to grow its business by merging with or acquiring other companies in the financial services industry. This strategy may cause the Suncorp Group to face operational and financial risks that could adversely affect its business and results of operation.

It is likely that the Suncorp Group would raise additional debt or raise equity to finance any major merger or acquisition and this would cause Suncorp to face the financial risks associated with additional debt or meeting the cost of additional equity.

Mergers or acquisitions may require assimilation of new operations, new personnel and may cause dissipation of the Suncorp Group's management resources. Changes in ownership and management may result in impairment of relationships with employees and customers of the acquired businesses. Depending on the type of transaction, it could take a substantial period of time for the Suncorp Group to realise the financial benefits of the transaction, if any. During the period immediately following this type of transaction, the Suncorp Group's operating results may be adversely affected.

As a target in any future merger or acquisition activity the issues identified above may also be relevant. For a discussion of the consequences of an Acquisition Event under CPS – see Section 4.1.16.

The Suncorp Group's failure to adequately manage the risks associated with any mergers or acquisitions could have a material adverse effect on its financial condition and results of operations.

4.2.5 Estimation of claims provisions

The Suncorp Group's provisions for insurance liabilities may prove to be inadequate to cover its ultimate liability under policies written by its insurance subsidiaries. Within its general insurance subsidiaries the Suncorp Group maintains provisions for outstanding claims and unearned premiums to cover the estimated ultimate liability for claims including claim handling expenses, and within its life insurance subsidiary provisions for future policy benefits and maintenance expenses. Although the Suncorp Group seeks to maintain outstanding claims provisions in its general insurance subsidiaries at a probability of adequacy of approximately 90% (as at 31 December 2007 this was approximately 94%), the estimation of claims provisions does not represent an exact calculation of liability, but rather an estimate. These estimates are based on actuarial and statistical methodologies made on the basis of facts and circumstances known at a given time and estimates of trends into the future. Actual future events and conditions may result in the current estimates of claims costs being inadequate. Moreover, additional costs of claims, including costs arising from changes in the legal environment, the type or magnitude of which management cannot foresee, may emerge in the future. Insufficient provisions for insurance liabilities could have a material adverse effect on the Suncorp Group's financial condition, results of operations and cash flows.

4.2.6 Credit risk

Credit risk is the risk that a borrower or counterparty will not meet its obligations in accordance with agreed terms. The Suncorp Group is exposed to credit risk as a consequence of its lending activities and it maintains provisions to cover bad and doubtful debts. If these provisions prove inadequate because of either events that are beyond the Suncorp Group's control, for example, an economic downturn, or a significant breakdown in the Suncorp Group's credit disciplines, then this could have a material adverse effect on the Suncorp Group's business, financial condition and results of operations. See also Section 4.2.11 in connection with credit risk in respect of Suncorp Group's reinsurance arrangements.

4.2.7 Funding and liquidity risk

Banks and other financial institutions (including the Suncorp Group) are currently subject to highly volatile credit market conditions influenced by factors such as the deterioration in the sub-prime mortgage market in the US. This volatility may result in (amongst other things):

- a reduction in the availability of markets from which to raise funds;
- an increase in the cost of funding and more onerous lending conditions; and
- an increase in potential counterparty default.

The Suncorp Group accesses credit markets for a variety of funding sources as part of its operations. The complete impact of current credit market conditions is unknown and the effect of a further deterioration in credit markets may adversely impact the financial performance and position of the Suncorp Group.

4.2.8 Market risk

The Suncorp Group is exposed to market risk as a consequence of its trading activities in financial markets and through the asset and liability management of its overall financial position. In the financial markets trading businesses, the Suncorp Group is exposed to losses arising from adverse movements in levels and volatility of interest rates and foreign exchange rates. The Suncorp Group's management of the relationship between changes in the market interest rates and changes in net interest income also affects its results of operations. The composition of the Suncorp Group's banking assets and liabilities, and any gap position resulting from that composition, causes the Suncorp Group's net interest income

to vary with changes in interest rates. A mismatch of interest-earning assets and interest-bearing liabilities in any given period could have a material effect on the Suncorp Group's financial condition and results of operations.

4.2.9 Investment income

The Suncorp Group has a significant investment portfolio that supports liabilities arising from its general insurance and life insurance businesses. The investment portfolio generated a portion of the Suncorp Group's profits in the 2006 and 2007 financial years. Consequently, investment performance affects the Suncorp Group's financial condition and results of operations.

The Suncorp Group's investment portfolio consists of assets which back:

- shareholder funds; and
- technical reserves, which represent assets to support outstanding claims and unearned premium liabilities.

The investment portfolio is managed in accordance with the Suncorp Group's investment policy. The Suncorp Group's investment policy for shareholder funds is to invest in a range of assets including international and Australian equities and fixed income portfolios. The Suncorp Group's investment policy for technical reserves is to invest in high quality fixed income portfolios that have minimal default risk. There is a risk however that adverse market volatility may affect investment performance.

4.2.10 Catastrophes

Through its general insurance businesses, the Suncorp Group is subject to claims arising from catastrophes caused by various events, including cyclones, earthquakes, tsunami, wind, hail, fires, floods, volcanic activity and bushfires, in addition to man-made disasters. These events are inherently unpredictable in terms of their incidence and severity. The extent of insured losses from catastrophes is determined by the total amount of insured exposure in the area affected by the event and the severity of the event. Natural disasters have the potential to affect extensive geographical areas while the impact of man-made disasters is generally more localised. While the Suncorp Group manages its exposure to catastrophes through the purchase of catastrophe reinsurance, the Suncorp Group cannot be assured that such coverage will be adequate or will continue to be available at acceptable levels or at all.

Investment risks

4.2.11 Reinsurance

The Suncorp Group enters into a number of reinsurance arrangements. These arrangements allow the Suncorp Group to limit its risk from particular lines of business or from specific events and to increase its capacity to write new policies. Under these arrangements, other insurers and reinsurers assume a portion of the Suncorp Group's exposure to reported and unreported losses in exchange for a premium. The availability, amount and cost of reinsurance depend on prevailing market conditions, in terms of price and available capacity, and may vary significantly. From time to time, market conditions have limited, and in some cases prevented, insurers from obtaining the types and amounts of reinsurance that they consider adequate for their business needs. Accordingly, the Suncorp Group may not be able to obtain desired amounts of reinsurance at prices acceptable to it or at all. In addition, even if the Suncorp Group is able to obtain such reinsurance, it may not be able to negotiate terms that it deems appropriate or acceptable or obtain such reinsurance from entities with satisfactory creditworthiness. Such reinsurers could become financially unsound by the time they are called upon to pay amounts due, which may not occur for many years.

There are risks associated with the determination of proper levels of outwards reinsurance protection, the cost of such reinsurance and the financial security of reinsurers. There can be no assurance that the Suncorp Group's current reinsurance coverage is adequate, that it matches the underlying risks assumed or that increases in reinsurance costs will be recovered through premium rates.

The Suncorp Group is also exposed to the risk that its reinsurers default on their obligation to pay valid claims. In addition, the Suncorp Group may take a considerable period to collect on reinsurance receivables, and reinsurers may dispute its claims, even if valid. Despite reinsurance, the Suncorp Group is primarily liable to insureds, and so a failure by a reinsurer to make payment, for whatever reason, could have a material adverse effect on the Suncorp Group's financial condition and results of operations.

4.2.12 Information technology

The Suncorp Group relies to a significant degree on information technology systems. Most of the Suncorp Group's daily operations are computer based and its information technology systems are essential to maintaining effective communication with customers. The Suncorp Group generally manages its information technology systems internally rather than outsource that function to a third party. The Suncorp Group is exposed to a number of systems risks, including:

- complete or partial failure of the information technology systems;
- inadequacy of internal or third party information technology systems due to, among other things, failure to keep pace with industry developments;
- capacity of the existing systems to effectively accommodate the Suncorp Group's planned growth and integrate existing and future acquisitions and alliances; and
- systems integration programs not being completed within the timetable or budget.

To mitigate some of these risks, the Suncorp Group has disaster recovery and system development plans in place. However, any failure in the Suncorp Group's systems could result in business interruption, the loss of customers, damaged reputation and weakening of its competitive position and could adversely affect the Suncorp Group's business.

4.2.13 Regulatory and legal environment

The Suncorp Group's business is subject to substantial regulatory and legal oversight. In particular the Suncorp Group is subject to prudential supervision by APRA, which requires the Suncorp Group, amongst other things, to meet minimum capital requirements within its operations. Any significant regulatory developments, including changes to prudential regulatory requirements, accounting standards and tax laws, could have an adverse effect on how the Suncorp Group conducts its business and on the Suncorp Group's financial condition and results of operations. The Suncorp Group's business and earnings are also affected by the fiscal or other policies that are adopted by various regulatory authorities of the Australian government. The nature and impact of future changes in such policies are not predictable and are beyond the Suncorp Group's control. The general insurance, banking or wealth management industries could be subjected to changes or additions to existing governmental regulations that may impair the Suncorp Group's financial performance. In addition, if the Suncorp Group does not meet regulatory requirements, it may be subject to penalties, including fines or the suspension or cancellation of authority to conduct business. Non-compliance may also give rise to adverse publicity and damage to the Suncorp Group's reputation.

4.2.14 Operational risk

As a financial services organisation, the Suncorp Group is exposed to a variety of other risks, including those arising from process error, fraud, systems failure, security and physical protection, customer services, staff skills and performance, and product development and maintenance. Failure to adequately manage these risks could have a material adverse effect on the Suncorp Group's financial condition and results of operations.

4.2.15 Suncorp Group structure

Suncorp's assets include the shares in its wholly owned subsidiaries – see Section 3.1.1. The ability of Suncorp's subsidiaries to pay dividends or make other payments to Suncorp may be restricted by various regulatory, contractual and legal constraints. If as a result of these restrictions or otherwise Suncorp is unable to ensure the continued receipt of dividends or other payments, then this may impair Suncorp's ability to pay dividends on, or make other payments in respect of, CPS.

The risks identified in this Section 4 are not exhaustive and you should read this Prospectus in its entirety and consult your financial adviser or other professional adviser before deciding whether to invest in CPS.

5. Tax Letter

This Section contains a summary of the Australian tax consequences for persons who may become Holders of CPS and is based on Australian income tax law as at the date of the Prospectus. This Section addresses the taxation consequences for Australian tax resident individuals, companies and complying superannuation funds, where those taxpayers are not traders or dealers in securities, or otherwise hold CPS on revenue account.

As the taxation profile and attributes of each taxpayer may differ, potential investors should seek independent taxation advice on the Australian taxation consequences of investing in, holding and disposing of CPS.

Dear Directors

Australian tax consequences of investing in Suncorp-Metway Limited convertible preference shares (CPS)

We have been instructed by Suncorp-Metway Limited (**Suncorp**) to prepare a tax summary for inclusion in the Prospectus dated 14 May 2008 in relation to the issue of CPS.

Accordingly, this letter provides a summary of the Australian income tax and capital gains tax (**CGT**) consequences for Australian tax resident investors who subscribe for CPS and hold them on capital account for tax purposes (**Resident Investors**). Tax considerations which may arise for Holders who are in the business of share trading, dealing in securities or otherwise hold CPS on revenue account, or Holders who are non-residents for Australian tax purposes, have not been considered in this summary.

This summary is based on the income tax law and administrative practice currently in force as at the date of the Prospectus. It is necessarily general in nature and is not intended to be definitive tax advice to Resident Investors. Accordingly, each Resident Investor should seek their own tax advice that is specific to their particular circumstances.

Suncorp has applied for a class ruling from the Australian Taxation Office for confirmation of certain tax consequences for Resident Investors as discussed in this summary. The date of issue of any class ruling is not currently known.

Unless the context indicates otherwise, all capitalised terms in this letter bear the same meaning as those contained in the Prospectus and the CPS Terms.

1 Summary

We have set out below a brief outline of the tax consequences for Resident Investors. Please note that this outline is not intended to be comprehensive and should be read subject to our more detailed comments in this letter.

- (a) Provided a Resident Investor is a “qualified person” in relation to their CPS:
 - (1) the amount of any Dividends together with any attached franking credits should be included in the Resident Investor’s assessable income;
 - (2) the Resident Investor should be entitled to a tax offset equal to the amount of the franking credits attached to the Dividends; and
 - (3) Resident Investors that are individuals or complying superannuation entities may be entitled to a refund of excess franking offsets.
- (b) A sale of CPS on ASX or to a Nominated Purchaser will give rise to a capital gain if the sale proceeds exceed the cost base of the CPS. Conversely, a capital loss will result if the reduced cost base of the CPS exceeds the sale proceeds. The cost base (or reduced cost base) of the CPS will include the amount paid by the Resident Investor to acquire the CPS.
- (c) The Conversion of each CPS into one fully paid Ordinary Share should not result in a full or partial disposal of the CPS for CGT purposes. Furthermore, the additional Ordinary Shares allotted on Conversion should not be treated as a dividend or assessable income.

2 Tax on Dividends

Each CPS should be properly classified for tax purposes as an equity interest in Suncorp rather than a debt interest.

It is expected that Suncorp will pay fully franked Dividends on CPS. Accordingly, all Resident Investors should include in their assessable income the amount of the Dividends together with the franking credits, unless a Resident Investor is not a “qualified person” (refer section 3).

Resident Investors may qualify for the tax offset (equal to the amount of the franking credits) against their income tax liability for the relevant income year provided they are “qualified persons”.

To the extent that the tax offset attributable to the franking credits on a Dividend exceeds the income tax liability for an income year of a Resident Investor who is an individual or complying superannuation entity, the excess tax offset may be refunded to the Resident Investor. Excess franking credits cannot be carried forward to a later income year.

Resident Investors which are companies or non-complying superannuation entities are not entitled to refunds of tax offsets. Resident Investors which are companies will be entitled to a credit in their franking account equal to the amount of franking credits on Dividends.

Greenwoods & Freehills

3 Qualification for franking credits

A Resident Investor is not required to include the amount of the franking credits in their assessable income and is not entitled to the tax offset unless the Resident Investor is a “qualified person” in relation to the Dividend.

A Resident Investor is a “qualified person” if the “holding period” and “related payments” rules are satisfied in respect of a Dividend.

In terms of the holding period rule, a Resident Investor must have held CPS “at risk” for a continuous period of at least 90 days (excluding the days of acquisition and disposal) within a period beginning on the day after the date on which the Resident Investor acquired CPS and ending on the 90th day after the date on which CPS became ex Dividend.

A Resident Investor would be “at risk” in relation to CPS provided that the Resident Investor does not enter into any arrangements which could result in materially reduced risks of loss or opportunities for gain in relation to CPS. In calculating the holding period, any days where the Resident Investor has materially diminished their risk of loss or opportunity for gain in relation to CPS are excluded. A Resident Investor is taken to have materially diminished risk if the Resident Investor’s net position in relation to CPS is such that the Resident Investor has less than 30% of the risks and opportunities associated with CPS.

Under the related payments rule, a Resident Investor who is obliged to make a “related payment” (essentially a payment passing the benefit of the Dividend to another person) in respect of a Dividend must hold CPS “at risk” for at least 90 days (excluding the days of acquisition and disposal) within a period beginning 90 days before and ending 90 days after the date on which CPS became ex Dividend.

Alternatively, a Resident Investor is automatically taken to be a qualified person in relation to Dividends if the total amount of the tax offsets in respect of all franked distributions to which the Resident Investor would be entitled in an income year is \$5,000 or less. This is referred to as the small shareholder rule. However, a Resident Investor will not be a “qualified person” by virtue of the small shareholder rule if related payments have been made, or will be made, in respect of a Dividend.

4 CGT consequences on disposal of CPS

4.1 Sale of CPS on ASX or Resale to a Nominated Purchaser

A sale of CPS on ASX, or a Resale of CPS to a Nominated Purchaser pursuant to a Resale Notice issued by Suncorp, will constitute a disposal for CGT purposes.

To the extent that the sale proceeds received by a Resident Investor on the sale of CPS exceed the cost base, the excess would constitute a capital gain in the hands of the Resident Investor. Conversely, a capital loss would arise on a sale of CPS equal to the amount by which the sale proceeds are less than the reduced cost base.

The cost base or reduced cost base of CPS respectively should include the amount paid to acquire CPS (when issued by Suncorp) as well as any incidental costs (e.g. broker fees) associated with the acquisition and disposal of CPS.

Greenwoods & Freehills

If CPS have been owned for at least 12 months prior to the sale (excluding the days of acquisition and disposal), a Resident Investor (other than a company) may be entitled to receive CGT discount treatment in respect of any gain arising on disposal of CPS, such that a percentage of the gain is not included in assessable income. The discount percentage is applied to the amount of the capital gain after offsetting any current year or carried forward capital losses. The discount percentages are 50%, 50% and 33⅓% for Resident Investors who are individuals, trusts and complying superannuation entities respectively.

Resident Investors who dispose of CPS within 12 months of acquiring them, or who dispose of CPS under an agreement entered into within 12 months of acquiring them, will not receive CGT discount treatment.

Companies are not entitled to obtain CGT discount treatment in respect of any gain arising on disposal of CPS.

4.2 Redemption of CPS

Suncorp may elect to Redeem CPS in certain circumstances. For each CPS that is being Redeemed, an amount equal to the Issue Price will be paid by Suncorp in cash.

The Redemption proceeds should not be treated as a dividend to the extent to which they are debited against an amount standing to the credit of Suncorp's share capital account, provided that Suncorp gives the Resident Investor a notice specifying the amount paid up on each CPS to be Redeemed.

However, to the extent to which the Redemption proceeds paid by Suncorp are funded out of an account other than its share capital account, that amount will be an assessable dividend in the hands of a Resident Investor.

Redemption of CPS will constitute a disposal of CPS for CGT purposes. Accordingly, a Resident Investor may also derive a capital gain or a capital loss on such disposal to the extent to which the Redemption proceeds are greater than the cost base or are less than the reduced cost base of CPS respectively.

The cost base (or reduced cost base) of CPS for these purposes would include the amount paid by a Resident Investor to acquire CPS plus the incidental costs associated with the acquisition and Redemption of CPS.

The amount of the capital gain resulting from a Redemption of CPS would be reduced (but not below nil) to the extent that the whole or part of the proceeds is treated as a dividend (refer comments above). A Resident Investor (other than a company) may be entitled to CGT discount treatment in respect of any remaining capital gain, after reduction by any part of the proceeds which is treated as a dividend, in the same manner as discussed above in section 4.1.

4.3 Buy back of CPS

Suncorp may choose to Redeem CPS by way of a buy back in certain circumstances.

For tax purposes, such an event would give rise to income tax and CGT consequences for Resident Investors similar to those described in relation to Redemption. However, depending on the particulars of the buy back at that time

Greenwoods & Freehills

and how much of the proceeds are debited to Suncorp's share capital account, the calculation of the capital gain or capital loss arising may be different.

4.4 Conversion of CPS

On the Mandatory Conversion Date, or if Suncorp issues an Exchange Notice or Acquisition Exchange Notice and elects Conversion as the Exchange Method, each CPS will Convert into one fully paid Ordinary Share subject to any conditions contained in the CPS Terms. The Conversion of CPS is expressed to not constitute a redemption of CPS, or an issue, allotment or creation of a new share (other than the additional Ordinary Shares issued). Instead, Conversion involves changing the rights attached to CPS.

In Taxation Ruling TR 94/30, the Commissioner of Taxation has expressed a view that the variation of rights attaching to a share does not result in either a full or partial disposal of an asset for CGT purposes unless there is a redemption or cancellation of the share.

Accordingly, the Conversion of CPS to Ordinary Shares should not result in either a full or partial disposal of CPS by Resident Investors for CGT purposes.

5 Additional Ordinary Shares

Following the Conversion of CPS into Ordinary Shares, either by mandatory Conversion or if Suncorp issues an Exchange Notice or Acquisition Exchange Notice and elects Conversion as the Exchange Method, each Holder will be allotted an additional number of Ordinary Shares determined in accordance with clause 6.1 of the CPS Terms.

It is considered that the additional Ordinary Shares allotted should not be treated as a dividend or ordinary income assessable in the hands of the Resident Investors.

The additional Ordinary Shares will be CGT assets for CGT purposes. The cost base (or reduced cost base) of an additional Ordinary Share will be determined by spreading the cost base (or reduced cost base) of the original CPS across all of the Ordinary Shares (being the additional Ordinary Shares and the CPS that has been converted into one Ordinary Share).

Further, for CGT purposes, the additional Ordinary Shares should be taken to have been acquired by a Resident Investor at the time the original CPS to which the additional Ordinary Shares relate were acquired by the Resident Investor.

A subsequent sale of the Ordinary Shares (being the additional Ordinary Shares and the CPS that has been converted into one Ordinary Share) may give rise to a capital gain or capital loss to a Resident Investor. The amount of the capital gain would equal the excess of the sale proceeds over the cost base of the Ordinary Shares determined in the manner discussed above. Conversely, a capital loss will arise on a sale of the Ordinary Shares equal to the amount by which the sale proceeds are less than the reduced cost base of the Ordinary Shares.

The availability of CGT discount treatment to Resident Investors discussed in section 4.1 in the context of a sale of CPS, applies equally here.

Greenwoods & Freehills

6 Pay-as-you-go withholding tax

Resident Investors may, if they choose, notify Suncorp of their tax file number (TFN), Australian Business Number (ABN), or a relevant exemption.

In the event that Suncorp is not so notified, tax will be automatically deducted at the highest marginal tax rate (including Medicare Levy) from the cash amount of the unfranked part (if any) of the Dividends. The rate of withholding is currently 46.5%.

Suncorp is required to withhold such tax until such time as the relevant TFN, ABN or exemption notification is given to it. Resident Investors will be able to claim a tax credit/rebate (as applicable) in respect of any tax withheld on the Dividends in their income tax returns.

7 Disclaimer

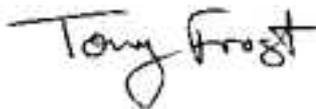

This tax summary does not purport to give advice to any specific Resident Investor, as each Resident Investor's tax position will depend on their own particular circumstances. Resident Investors should seek their own professional tax advice regarding their individual circumstances.

A. CPS Terms

1 CPS

(a) CPS are fully paid mandatorily convertible preference shares in the capital of Suncorp (CPS). They are issued, and may be Redeemed, Converted, or Resold, according to these Terms.

(b) The issue price of each CPS (**Issue Price**) is \$100.

2 Dividends

2.1 Dividends

Subject to these Terms, each CPS entitles the Holder on a Record Date to receive on the relevant Dividend Payment Date a dividend (**Dividend**) calculated according to the following formula:

$$\text{Dividend} = \frac{\text{Issue Price} \times \text{Dividend Rate} \times N}{365}$$

where:

Dividend Rate (expressed as a percentage per annum) is calculated according to the following formula:

$$\text{Dividend Rate} = (\text{Bank Bill Rate} + \text{Margin}) \times (1 - \text{Tax Rate})$$

where:

Bank Bill Rate (expressed as a percentage per annum) means, for a Dividend Period, the average mid-rate for bills of a term of 90 days which average rate is displayed on Reuters page BBSW (or any page which replaces that page) on the first Business Day of the Dividend Period or if there is a manifest error in the calculation of that average rate or that average rate is not displayed by 10.30am (Sydney time) on that date, the rate specified in good faith by Suncorp at or around that time on that date having regard, to the extent possible, to:

- (a) the rates otherwise bid and offered for bills of a term of 90 days or for funds of that tenor displayed on Reuters page BBSW (or any page which replaces that page) at that time on that date; or
- (b) if bid and offer rates for bills of a term of 90 days are not otherwise available, the rates otherwise bid and offered for funds of that tenor at or around that time on that date.

Margin (expressed as a percentage per annum) means the margin determined under the Bookbuild; and

Tax Rate (expressed as a decimal) means the Australian corporate tax rate applicable to the franking account of Suncorp at the relevant Dividend Payment Date; and

N means in respect of:

- (a) the first Dividend Payment Date, the number of days from (and including) the Issue Date until (but not including) the first Dividend Payment Date; and
- (b) each subsequent Dividend Payment Date, the number of days from (and including) the preceding Dividend Payment Date until (but not including) the relevant Dividend Payment Date.

2.2 Franking adjustments

If any Dividend is not franked to 100% under Part 3-6 of the Tax Act (or any provisions that revise or replace that Part), the Dividend will be calculated according to the following formula:

$$\text{Dividend} = \frac{D}{1 - [\text{Tax Rate} \times (1 - F)]}$$

where:

D means the Dividend calculated under clause 2.1;

Tax Rate has the meaning given in clause 2.1; and

F means the applicable Franking Rate.

2.3 Payment of a Dividend

Each Dividend (including an Optional Dividend) is subject to:

- (a) the Directors, at their absolute discretion, determining the Dividend to be payable;
- (b) Suncorp having profits available for the payment of the Dividend;
- (c) unless APRA otherwise agrees, payment of the Dividend not resulting in the Prudential Capital Ratio or the Tier 1 Capital Ratio of Suncorp (on a Level 1 basis) or of the Suncorp Banking Group not complying with APRA's then current capital adequacy guidelines as they are applied to Suncorp or the Suncorp Banking Group (as the case may be) at the time;
- (d) unless APRA otherwise agrees, the amount of the Dividend not exceeding Distributable Profits;
- (e) payment of the Dividend not resulting in Suncorp becoming, or being likely to become, insolvent for the purposes of the Corporations Act; and
- (f) APRA not otherwise objecting to the payment of the Dividend.

The Directors, at their absolute discretion but with the prior written approval of APRA, may determine an Optional Dividend to be payable on any date, subject to this clause 2.3.

2.4 Dividends are non-cumulative

Dividends are non-cumulative. If all or any part of a Dividend (including an Optional Dividend) is not paid because of clause 2.3 or because of any applicable law, Suncorp has no liability to pay the unpaid amount of the Dividend and, notwithstanding the Directors' discretion to pay an Optional Dividend under clause 2.3, Holders have no claim or entitlement in respect of such non-payment and such non-payment does not constitute an event of default. No interest accrues on any unpaid Dividends or Optional Dividends and the Holders have no claim or entitlement in respect of interest on any unpaid Dividends or Optional Dividends.

2.5 Dividend Payment Dates

Subject to this clause 2, Dividends (other than Optional Dividends) will be payable in arrears on the following dates (each a Dividend Payment Date):

- (a) each 14 March, 14 June, 14 September and 14 December commencing on 14 September 2008 until (but not including) the date on which a Redemption, Conversion or Resale occurs in accordance with these Terms; and
- (b) subject to clause 7.3(a)(iii), the date on which a Redemption, Conversion or Resale occurs in accordance with these Terms.

If a Dividend Payment Date is a day which is not a Business Day, then the Dividend Payment Date will be the next day which is a Business Day.

2.6 Record Dates

- (a) A Dividend is only payable on a Dividend Payment Date to those persons registered as Holders on the Record Date for that Dividend.
- (b) An Optional Dividend is only payable on the date of payment determined by the Directors to those persons registered as Holders on the Record Date for that Optional Dividend.

2.7 Deductions

- (a) Suncorp may deduct from any Dividend payable the amount of any withholding or other tax, duty or levy required by law to be deducted in respect of such amount. If any such deduction has been made and the amount of the deduction accounted for by Suncorp to the relevant revenue authority and the balance of the Dividend payable has been paid to the relevant Holder, then the full amount payable to such Holder shall be deemed to have been duly paid and satisfied by Suncorp.
- (b) Suncorp shall pay the full amount required to be deducted to the relevant revenue authority within the time allowed for such payment without incurring any penalty under the applicable law and shall, if required by any Holder, deliver to that Holder the relevant receipt issued by the revenue authority without delay after it is received by Suncorp.

- (c) the Exchange Method;
- (d) if the Exchange Notice provides that CPS are to be Redeemed, whether the Redemption Price is payable by way of redemption, buy-back or reduction of capital (or a combination of these methods);
- (e) if the Exchange Notice provides that CPS are to be Resold, the identity of the Nominated Purchaser or Nominated Purchasers for that Resale; and
- (f) whether any Dividend or any amount under clause 7.3(a)(iii) will be paid on the Exchange Date.

4.3 Exchange Method

If Suncorp elects to Exchange CPS in accordance with this clause 4, it must, subject to clause 4.4, elect which of the following (or which combination of the following) it intends to do in respect of CPS (the **Exchange Method**):

- (a) subject to APRA's prior written approval, Convert CPS into Ordinary Shares in accordance with clause 6;
 - (b) subject to APRA's prior written approval, Redeem CPS in accordance with clause 7; or
 - (c) Resell CPS in accordance with clause 8.
-

4.4 Conditions to election by Suncorp of Conversion as Exchange Method

Suncorp may not elect Conversion as the Exchange Method in respect of an Exchange if:

- (a) on the second Business Day before the date on which an Exchange Notice is to be sent by Suncorp (or, if trading in Ordinary Shares did not occur on that date, the last Business Day prior to that date on which trading in Ordinary Shares occurred) (the **Optional Conversion Test Date**) the VWAP on that date is less than or equal to 55.55% of the Issue Date VWAP (the **First Optional Conversion Condition**); or
- (b) a Delisting Event applies in respect of the Optional Conversion Test Date (the **Second Optional Conversion Condition** and, together with the First Optional Conversion Condition, the **Optional Conversion Conditions**).

4.5 Conditions to Conversion occurring once elected by Suncorp

If Suncorp has given an Exchange Notice in which it has elected Conversion as the Exchange Method but, if the Exchange Date were a Relevant Date for the purposes of clause 3, either the Second Mandatory Conversion Condition or the Third Mandatory Conversion Condition would not be satisfied in respect of that date, then, notwithstanding any other provision of these Terms:

- (a) the Exchange Date will be deferred until the first Dividend Payment Date on which the Mandatory Conversion Conditions would be satisfied if that Dividend Payment Date were a Relevant Date for the purposes of clause 3 (the **Deferred Conversion Date**);
- (b) Suncorp must Convert the CPS on the Deferred Conversion Date; and
- (c) until the Deferred Conversion Date, all rights attaching to the CPS will continue as if the Exchange Notice had not been given.

Suncorp will notify Holders on or as soon as practicable after an Exchange Date in respect of which this clause 4.5 applies that Conversion did not occur on that Exchange Date (a **Deferred Conversion Notice**).

5 Exchange on Acquisition Event

5.1 Notice of Acquisition Event

Suncorp must notify Holders of the occurrence of an Acquisition Event as soon as practicable after becoming aware of that event (an **Acquisition Event Notice**).

5.2 Exchange on occurrence of Acquisition Event

If an Acquisition Event occurs, Suncorp must, subject to obtaining the prior written approval of APRA, Exchange all (but not some only) CPS on the Acquisition Exchange Date by notice to Holders (an **Acquisition Exchange Notice**) in accordance with this clause 5 and clause 6 or clause 7 (as the case may be).

5.3 Contents of Acquisition Exchange Notice

An Acquisition Exchange Notice must specify:

- (a) the details of the Acquisition Event to which the Acquisition Exchange Notice relates;
- (b) the date on which Exchange is to occur (the **Acquisition Exchange Date**), which must be:
 - (i) no later than 35 Business Days after the date on which the Acquisition Event occurred (or such later date as APRA may require); and
 - (ii) where Conversion is the Exchange Method, no earlier than the 25th Business Day after the date on which the Acquisition Event Notice is given;
- (c) the Exchange Method, which, subject to clause 4.4, must be either Conversion in accordance with clause 6 or Redemption in accordance with clause 7 as elected by Suncorp;
- (d) if the Acquisition Exchange Notice provides that CPS are to be Redeemed, whether the Redemption Price is payable by way of redemption, buy-back or reduction of capital (or a combination of these methods); and
- (e) whether any Dividend or any amount under clause 7.3(a)(iii) will be paid on the Acquisition Exchange Date.

A. CPS Terms

5.4 Where Acquisition Exchange Notice not required

Notwithstanding any other provision of clause 5.2 or clause 5.3, if APRA does not approve Redemption as the Exchange Method and Suncorp is prevented from electing Conversion as the Exchange Method by clause 4.4, Suncorp is not required to give an Acquisition Exchange Notice and the provisions of clause 5.5 will apply.

5.5 Deferred Exchange on Acquisition Event

If clause 5.4 applies or Suncorp has given an Acquisition Exchange Notice in which it has elected Conversion as the Exchange Method but, if the Acquisition Exchange Date were a Relevant Date for the purposes of clause 3, either the Second Mandatory Conversion Condition or the Third Mandatory Conversion Condition would not be satisfied in respect of that date, then notwithstanding any other provision of these Terms:

- (a) the Acquisition Exchange Notice, if given, is taken to be revoked and Exchange will not occur on the Acquisition Exchange Date specified in the Acquisition Event Notice;
- (b) Suncorp will notify Holders as soon as practicable that Exchange will not (or, as the case may be, did not) occur (a **Deferred Acquisition Exchange Notice**); and
- (c) Suncorp must, unless clause 5.4 then applies, give an Acquisition Exchange Notice (or, as the case may be, a new Acquisition Exchange Notice) on or before the 25th Business day prior to the Dividend Payment Date immediately succeeding the date on which the Deferred Acquisition Exchange Notice was given.

The Acquisition Exchange Notice given in accordance with paragraph (c) above must:

- (a) specify the Exchange Method, which, subject to clause 4.4, must be either Conversion in accordance with clause 6 or Redemption in accordance with clause 7 as elected by Suncorp; and
- (b) otherwise comply with clause 5.3.

If this clause 5.5 applies but:

- (a) clause 5.4 applies in respect of the Dividend Payment Date such that no Acquisition Exchange Notice (or, as the case may be, no new Acquisition Exchange Notice) is given under this clause 5.5; or
- (b) an Acquisition Exchange Notice (or, as the case may be, a new Acquisition Exchange Notice) is given under this clause 5.5 but, if the Acquisition Exchange Date specified in the Acquisition Exchange Notice were a Relevant Date for the purpose of clause 3, either the Second Mandatory Conversion Condition or the Third Mandatory Conversion Condition would not be satisfied in respect of that date,

then this clause 5.5 will be reapplied in respect of each subsequent Dividend Payment Date until an Exchange occurs.

6 Conversion mechanics

6.1 Conversion

If Suncorp elects to Convert CPS or must Convert CPS in accordance with these Terms, then, subject to clause 12, the following provisions apply:

- (a) each CPS that is being Converted will Convert into one Ordinary Share on the Mandatory Conversion Date or the Exchange Date (as the case may be);
- (b) each Holder will be allotted, for no consideration, an additional number of Ordinary Shares for each CPS that is being Converted on the Mandatory Conversion Date or the Exchange Date (as the case may be) equal to **one less than** the Conversion Number, where the Conversion Number (but subject to the Conversion Number being no more than the Maximum Conversion Number) is a number calculated according to the following formula:

$$\text{Conversion Number} = \frac{\text{Issue Price}}{99\% \times \text{VWAP}}$$

where:

VWAP (expressed in dollars and cents) means the VWAP during the VWAP Period;

- (c) if the total number of additional Ordinary Shares to be allotted to a Holder in respect of their aggregate holding of CPS upon Conversion includes a fraction of an Ordinary Share, that fraction of an Ordinary Share will be disregarded;

- (d) a CPS, upon Conversion, confers all of the rights attaching to one Ordinary Share but these rights do not take effect until 5.00pm (Sydney time) on the Mandatory Conversion Date or the Exchange Date (as the case may be). At that time:
 - (i) all other rights conferred or restrictions imposed on that CPS under these Terms will no longer have effect (except for rights relating to a Dividend which has been determined to be payable but has not been paid on or before the Mandatory Conversion Date or the Exchange Date (as the case may be) which will continue); and
 - (ii) the Ordinary Share resulting from a Conversion will rank equally with all other Ordinary Shares;
 - (e) Suncorp must use all reasonable endeavours and furnish all such documents, information and undertakings as may be reasonably necessary in order to procure at its expense quotation of any Ordinary Shares into which CPS may be Converted.
- Conversion does not constitute a redemption, buy-back, cancellation or termination of CPS or an issue, allotment or creation of a new Ordinary Share (other than the additional Ordinary Shares allotted under clause 6.1(b)).

6.2 Adjustments to VWAP

For the purposes of calculating VWAP in clause 6.1:

- (a) where, on some or all of the Business Days in the relevant VWAP Period, Ordinary Shares have been quoted on ASX as cum dividend or cum any other distribution or entitlement and CPS will Convert into Ordinary Shares after the date those Ordinary Shares no longer carry that dividend or any other distribution or entitlement, then the VWAP on the Business Days on which those Ordinary Shares have been quoted cum dividend or cum any other distribution or entitlement shall be reduced by an amount (**Cum Value**) equal to:
 - (i) (in case of a dividend or other distribution), the amount of that dividend or other distribution including, if the dividend or other distribution is franked, the amount that would be included in the assessable income of a recipient of the dividend or other distribution who is both a resident of Australia and a natural person under the Tax Act;
 - (ii) (in the case of any other entitlement that is not a dividend or other distribution under clause 6.2(a)(i) which is traded on ASX on any of those Business Days), the volume weighted average sale price of all such entitlements sold on ASX during the VWAP Period on the Business Days on which those entitlements were traded; or
 - (iii) (in the case of any other entitlement which is not traded on ASX during the VWAP Period), the value of the entitlement as reasonably determined by the Directors; and
- (b) where, on some or all of the Business Days in the VWAP Period, Ordinary Shares have been quoted on ASX as ex dividend or ex any other distribution or entitlement, and CPS will Convert into Ordinary Shares which would be entitled to receive the relevant dividend or other distribution or entitlement, the VWAP on the Business Days on which those Ordinary Shares have been quoted ex dividend or ex any other distribution or entitlement shall be increased by the Cum Value.

6.3 Adjustments to VWAP for capital reconstruction

Where the Ordinary Shares are reconstructed, consolidated, divided or reclassified (other than by way of a bonus issue, rights issue or other essentially *pro rata* issue) into a lesser or greater number of securities during the period in which the VWAP is calculated under clause 6.1, the VWAP shall be adjusted by Suncorp as it considers appropriate to ensure that the Holders are in an economic position in relation to their CPS that is as similar as reasonably practicable to the economic position prior to the occurrence of the event that gave rise to the need for the adjustment. Any adjustment made by Suncorp will be effective and binding on Holders under these Terms and these Terms will be construed accordingly. Any such adjustment must be promptly notified to all Holders.

6.4 Adjustments to Issue Date VWAP

Adjustments to the Issue Date VWAP:

- (a) may be made in accordance with clauses 6.5, 6.6, 6.7, 6.8, 6.9 or 6.10; and
- (b) if so made, will correspondingly affect the application of the Mandatory Conversion Conditions and the Optional Conversion Conditions, and cause an adjustment to the Maximum Conversion Number.

A. CPS Terms

6.5 Adjustments to Issue Date VWAP for bonus and rights issues

- (a) Subject to clauses 6.5(b) and 6.5(c) below, if Suncorp makes a *pro rata* bonus issue or a rights issue or other essentially *pro rata* issue (including an issue of the kind known as a “jumbo” or “RAPIDS” issue, where offers to certain institutional holders (or beneficial holders) are made in advance of offers to other holders) of Ordinary Shares to holders of Ordinary Shares generally, the Issue Date VWAP will be adjusted immediately in accordance with the following formula:

$$V = V_0 \times \frac{1}{P} \times \frac{(RD \times P) + (RN \times A)}{(RD + RN)}$$

where:

V means the Issue Date VWAP applying immediately after the application of this formula;

V₀ means the Issue Date VWAP applying immediately prior to the application of this formula;

P means the VWAP during the period from (and including) the first Business Day after the announcement of the bonus, rights or other relevant issue to the ASX up to (and including) the last Business Day of trading cum rights, bonus or other relevant issue (or if there is no period of cum rights, bonus or other relevant issue trading, an amount reasonably determined by the Directors as representing the value of an Ordinary Shares cum the rights, bonus or other relevant issue);

A means the subscription or unit price per Ordinary Share for a rights issue and is zero in the case of a bonus issue;

RN means the number of Ordinary Shares issued pursuant to the rights, bonus or other relevant issue; and

RD means the number of Ordinary Shares on issue immediately prior to the allotment of new Ordinary Shares pursuant to the rights, bonus or other relevant issue.

- (b) No adjustment to the Issue Date VWAP will occur if A exceeds P.
- (c) Clause 6.5(a) does not apply to Ordinary Shares issued as part of a bonus share plan, employee or executive share plan, executive option plan, share top up plan, share purchase plan or a dividend reinvestment plan.
- (d) For the purpose of clause 6.5(a), an issue will be regarded as a *pro rata* issue notwithstanding that Suncorp does not make offers to some or all holders of Ordinary Shares with registered addresses outside Australia, provided that in so doing Suncorp is not in contravention of the ASX Listing Rules.

6.6 Adjustment to Issue Date VWAP for off market buy-back

- (a) Subject to clause 6.6(b), if Suncorp undertakes an off market buy-back under a scheme which but for restrictions on transfer would be generally available to holders of Ordinary Shares, the Issue Date VWAP will be adjusted immediately in accordance with the following formula:

$$V = V_0 \times \frac{1}{P} \times \frac{(BD \times P) - (BN \times A)}{(BD - BN)}$$

where:

V means the Issue Date VWAP respectively applying immediately after the application of this formula;

V₀ means the Issue Date VWAP respectively applying immediately prior to the application of this formula;

P means the VWAP during the 20 Business Days prior to the announcement to the ASX of the buy-back;

A means the buy-back price per Ordinary Share;

BN means the number of Ordinary Shares bought back; and

BD means the number of Ordinary Shares on issue immediately prior to the buy-back.

- (b) No adjustment to the Issue Date VWAP will occur if P exceeds A.

6.7 Adjustment to Issue Date VWAP for return of capital

If Suncorp makes a *pro rata* return of capital to holders of Ordinary Shares, the Issue Date VWAP will be adjusted in accordance with the following formula:

$$V = V_0 \times \frac{(P - C)}{(P)}$$

where:

V means the Issue Date VWAP applying immediately after the application of this formula;

V₀ means the Issue Date VWAP applying immediately prior to the application of this formula;

P means the VWAP during the period from (and including) the first Business Day after the announcement of the return of capital to ASX up to and including the last Business Day of trading *cum* the return of capital (or if there is no period of *cum* return of capital trading, an amount reasonably determined by the Directors as representing the value of Ordinary Shares *cum* the return of capital); and

C means with respect to a return of capital, the amount of the cash and/or the value (as reasonably determined by the Directors) of any other property distributed to holders of Ordinary Shares per Ordinary Share (or such lesser amount such that the difference between P and C is greater than zero).

6.8 Adjustment to Issue Date VWAP for capital reconstruction

If at any time the Ordinary Shares are reconstructed, consolidated, divided or reclassified into a lesser or greater number of securities, the Directors may if they consider it appropriate reconstruct the Issue Date VWAP in the same way as the exercise price of options over Ordinary Shares would be reconstructed in the same context, in accordance with the ASX Listing Rules (as they apply to Suncorp). Each Holder acknowledges that Suncorp may reconstruct, consolidate, divide or reclassify into a lesser or greater number of securities the Ordinary Shares at any time in its absolute discretion without any such action constituting a variation of rights of Holders or otherwise requiring any consent or concurrence.

6.9 Adjustment to Issue Date VWAP for Special Dividend

If at any time a Special Dividend is paid on Ordinary Shares and, in the reasonable opinion of the Directors, payment of that Special Dividend would have a dilutive or concentrative effect on the value of Ordinary Shares, then (subject to APRA's prior written approval), the Directors shall make such alterations to the Issue Date VWAP as they reasonably consider appropriate or necessary to compensate for that effect.

6.10 Directors' sole discretion regarding adjustments to Issue Date VWAP

Despite the provisions of clauses 6.5 to 6.9, where:

- (a) the effect of any of the adjustment provisions set out in clauses 6.5 to 6.9 is not, in the reasonable opinion of the Directors, appropriate in any particular circumstances (including because more than one adjustment provision applies); or
- (b) any other event occurs in relation to Suncorp that may have a dilutive or concentrative effect on the value of the Ordinary Shares, and, in the reasonable opinion of the Directors, such occurrence would have a dilutive or concentrative effect on the value of Ordinary Shares,

the Directors may (subject to APRA's prior written approval):

- (i) make such alterations to the Issue Date VWAP as they reasonably consider appropriate or necessary to compensate for that effect; or
- (ii) extend an entitlement to the Holders to participate in such event based on the number of Ordinary Shares to which those Holders would have been entitled if their CPS had been Converted on a date nominated by the Directors to compensate for that effect.

A. CPS Terms

6.11 Announcement of adjustment to Issue Date VWAP

Suncorp will notify Holders (an **Adjustment Notice**) of any adjustment to the Issue Date VWAP under this clause 6 within 10 Business Days of Suncorp determining the adjustment and the adjustment set out in the announcement will be final and binding.

6.12 Ordinary Shares

Each Ordinary Share issued or arising upon Conversion ranks *pari passu* with all other fully paid Ordinary Shares.

6.13 Foreign CPS Holders

Where CPS held by a Foreign CPS Holder are to be Converted, unless Suncorp is satisfied that the laws of the Foreign CPS Holder's country of residence permit the issue of Ordinary Shares to the Foreign CPS Holder (but as to which Suncorp is not bound to enquire), either unconditionally or after compliance with conditions which Suncorp in its absolute discretion regards as acceptable and not unduly onerous, the Ordinary Shares which the Foreign CPS Holder is obliged to accept will be issued to a nominee who will sell those Ordinary Shares and pay a cash amount equal to the net proceeds received, after deducting any applicable brokerage, stamp duty and other taxes and charges, to the Foreign CPS Holder accordingly.

7 Redemption mechanics

7.1 Redemption mechanics to apply to Redemption

If, subject to APRA's prior written approval, Suncorp elects to Redeem CPS or must Redeem CPS in accordance with these Terms, the provisions of this clause 7 apply to that Redemption.

7.2 Redemption

CPS will be Redeemed by payment on the Redemption Date, the Exchange Date or the Acquisition Exchange Date (as the case may be) of the Issue Price plus any amount payable under clause 7.3(a)(iii) (together, the **Redemption Price**) by way of redemption, buy-back, reduction of capital or any combination thereof to the Holder.

7.3 Effect of Redemption on Holders

On the Redemption Date, the Exchange Date or the Acquisition Exchange Date (as the case may be) the only right Holders will have in respect of CPS will be to obtain the Redemption Price payable in accordance with these Terms and upon payment of the Redemption Price, all other rights conferred, or restrictions imposed, by CPS will no longer have effect.

For the purposes of this clause 7:

- (a) where the Redemption involves a buy-back of CPS:
 - (i) the Redemption Notice, the Exchange Notice or the Acquisition Exchange Notice (as the case may be) constitutes a buy-back offer for the Redemption Price payable on the relevant Redemption Date, Exchange Date or Acquisition Exchange Date (as the case may be);
 - (ii) the Holder must accept the buy-back offer for their CPS and will be deemed to have accepted that buy-back offer for CPS held by that Holder to which the Redemption Notice, Exchange Notice or Acquisition Exchange Notice (as the case may be) relates on the date the Redemption Notice, Exchange Notice or Acquisition Exchange Notice (as the case may be) is given and will be deemed to have sold those CPS to Suncorp free of all Encumbrances on the Redemption Date, the Exchange Date or the Acquisition Exchange Date (as the case may be);
 - (iii) no Dividend is payable on CPS on the Redemption Date, the Exchange Date or the Acquisition Exchange Date (as the case may be), but the Directors may, in their absolute discretion, determine that the consideration payable for each CPS that is bought back will include an amount (in addition to the Issue Price) equal to a Dividend calculated in accordance with clause 2 for the Dividend Period ending on (but not including) the Redemption Date, the Exchange Date or the Acquisition Exchange Date (as the case may be);

- (iv) the buy-back agreement will be taken to include Suncorp's undertaking in clause 2.8; and
 - (v) for the purposes of calculating the Redemption Price, any suspension of the right to receive a Dividend arising from the buy-back agreement under applicable law shall be disregarded; and
- (b) if the Redemption involves either or both a reduction of capital with respect to CPS and a cancellation of CPS and under applicable law Holders are entitled to vote on a resolution to approve that reduction of capital or that cancellation, each Holder agrees to vote in favour of that or those resolutions.

8 Resale mechanics

8.1 Resale mechanics to apply to Resale

If Suncorp elects to Resell CPS or must Resell CPS in accordance with these Terms, the provisions of this clause 8 apply to that Resale.

8.2 Appointment of Nominated Purchaser

Suncorp must appoint one or more Nominated Purchasers for the Resale on such terms as may be agreed between Suncorp and the Nominated Purchaser.

The obligation of a Nominated Purchaser to pay the aggregate purchase price on the Relevant Date or the Exchange Date (as the case may be) may be subject to conditions.

Suncorp will reasonably endeavour, in light of the circumstances then existing, to minimise the conditionality of a Nominated Purchaser's obligation to pay the aggregate purchase price but gives no assurance as to the details of any such conditions.

8.3 Identity of Nominated Purchaser

Suncorp may not appoint a person as a Nominated Purchaser unless that person:

- (a) has undertaken on such terms and subject to such conditions as Suncorp reasonably determines for the benefit of each Holder to acquire each CPS from the Holder for the Issue Price on the Relevant Date or the Exchange Date (as the case may be);
- (b) has a long term counterparty credit rating from one of Standard & Poor's, Moody's or Fitch of not less than the rating assigned to CPS at that time by that rating agency; and
- (c) is not a Controlled Entity of Suncorp (unless otherwise approved by APRA).

8.4 Irrevocable offer to sell CPS

Each Holder is taken irrevocably to offer to sell CPS the subject of that Resale to the Nominated Purchaser on the Relevant Date or the Exchange Date (as the case may be) for a cash amount equal to the Issue Price.

8.5 Effect of Resale

On the Relevant Date or the Exchange Date (as the case may be), subject to payment by the Nominated Purchaser of the Issue Price to the Holders, all right, title and interest in such CPS will be transferred to the Nominated Purchaser on the Relevant Date or the Exchange Date (as the case may be).

A. CPS Terms

8.6 Effect of failure by the Nominated Purchaser to pay

If the Nominated Purchaser does not pay the Issue Price to the Holders on the Relevant Date or the Exchange Date (as the case may be) (whether as a result of a condition to purchase not being satisfied or otherwise):

- (a) the Resale Notice or the Exchange Notice (as the case may be) will be void;
- (b) CPS will not be transferred to the Nominated Purchaser;
- (c) in the case of a Resale Notice, CPS will not Convert into Ordinary Shares on that Relevant Date and the Mandatory Conversion Date:
 - (i) will be deemed not to have occurred on that Relevant Date; and
 - (ii) will occur on the next Relevant Date on which it is otherwise determined to occur in accordance with clause 3.2;
- (d) the Holder will continue to hold CPS until otherwise Redeemed, Converted or Resold in accordance with these Terms; and
- (e) Suncorp may, subject to APRA's prior written approval and without prejudice to any other rights of Suncorp under these terms to elect an Exchange, elect to Exchange all (but not some) CPS on a date no later than 45 Business Days after the Relevant Date or the Exchange Date (as the case may be) (the **Deferred Exchange Date**) by giving another Exchange Notice in accordance with clause 4.1 at least 25 Business Days prior to the Deferred Exchange Date. In these circumstances, the date on which the Exchange is to occur for the purposes of clause 4.2(b) will be the Deferred Exchange Date.

9 CPS general rights

9.1 Ranking

- (a) CPS rank equally among themselves and with the RPS in all respects.
- (b) In a winding up, CPS rank:
 - (i) in priority to Ordinary Shares; and
 - (ii) subordinate to the NPS and to any depositors and creditors of Suncorp.
- (c) Suncorp reserves the right to issue further CPS, preference shares or other instruments, or permit the conversion of shares to preference shares or other instruments, which rank equally with or behind existing CPS, whether in respect of dividends, return of capital on a winding-up or otherwise. Such an issue does not constitute a variation or cancellation of the rights attached to the then existing CPS and such shares or instruments will rank as against CPS in the manner specified in their terms.
- (d) CPS do not represent a deposit liability of Suncorp.
- (e) CPS are unsecured.

9.2 Preferential dividend

CPS rank in priority to Ordinary Shares for the payment of dividends.

9.3 Calculations of payments

Unless otherwise specified in these Terms, all calculations of payments will be rounded to four decimal places. For the purposes of making any payment in respect of a Holder's aggregate holding of CPS, any fraction of a cent will be disregarded.

9.4 No set-off or offsetting rights

A Holder:

- (a) may not exercise any right of set-off against Suncorp in respect of any claim by Suncorp against that Holder; and
 - (b) will have no offsetting rights or claims on Suncorp if Suncorp does not pay a Dividend when scheduled under CPS.
-

9.5 Return of capital

If there is a return of capital on a winding-up of Suncorp, Holders will be entitled to receive out of the assets of Suncorp available for distribution to Holders after payment of all depositors and creditors, in respect of each CPS held, an amount of cash (**Liquidation Sum**) equal to the sum of:

- (a) the amount of any Dividend (including any Optional Dividend) determined to be paid but unpaid; and
- (b) the Issue Price,

before any return of capital is made to Ordinary Shareholders or any other class of shares ranking behind CPS.

9.6 Shortfall on winding-up

If, upon a return of capital on a winding-up of Suncorp, there are insufficient funds to pay in full the Liquidation Sum and the amounts payable in respect of any other instruments in Suncorp ranking equally with CPS on a winding-up of Suncorp, Holders and the holders of any such other instruments will share in any distribution of assets of Suncorp in proportion to the amounts to which they are entitled respectively.

9.7 No participation in surplus assets

CPS do not confer on their Holders any further right to participate in the surplus assets of Suncorp on a winding-up beyond payment of the Liquidation Sum.

9.8 Power of attorney

- (a) Each Holder appoints each of Suncorp, its officers and any liquidator or administrator of Suncorp (each an **Attorney**) severally to be the attorney of the Holder with power in the name and on behalf of the Holder to sign all documents and transfers and do any other thing as may in the Attorney's opinion be necessary or desirable to be done in order for the Holder to observe or perform the Holder's obligations under these Terms including, but not limited to, accepting any buy-back offer, effecting any transfers of CPS, making any entry in the Register or exercising any voting power in relation to any consent or approval required for Conversion, Redemption or Resale or in respect of a NOHC Event.
- (b) The power of attorney given in this clause 9.8 is given for valuable consideration and to secure the performance by the Holder of the Holder's obligations under these Terms and is irrevocable.

9.9 Holder Acknowledgments

Each Holder irrevocably:

- (a) upon Conversion of a CPS in accordance with clause 6, consents to becoming a member of Suncorp and agrees to be bound by the Constitution (or, where a NOHC Substitution Notice has been given, consents to becoming a member of that NOHC and agrees to be bound by its constitution);
- (b) acknowledges and agrees that a NOHC may be substituted for Suncorp as issuer of ordinary shares on Conversion and that if such a substitution is effected, the Holder is obliged to accept ordinary shares in that NOHC on a Conversion, and will not receive Ordinary Shares;
- (c) acknowledges and agrees that any amendment made in accordance with clause 16.1(a)(iv) to effect the substitution of a NOHC as the issuer of ordinary shares on Conversion will not constitute a variation of any class rights attaching to CPS;
- (d) acknowledges and agrees that it is obliged to accept ordinary shares upon a Conversion notwithstanding anything that might otherwise affect a Conversion of CPS including:
 - (i) any change in the financial position of Suncorp or any NOHC since the Issue Date;
 - (ii) any disruption to the market or potential market for the ordinary shares or to capital markets generally; or
 - (iii) any breach by Suncorp or any NOHC of any obligation in connection with CPS;

A. CPS Terms

- (e) acknowledges and agrees that the only conditions to Conversion are the Mandatory Conversion Conditions or the Optional Conversion Conditions (as the case may be) and that no other conditions or events will affect Conversion except as expressly provided by these Terms;
- (f) agrees to provide to Suncorp any information necessary to give effect to a Conversion and, if applicable, to surrender any CPS certificate on the occurrence of the Conversion; and
- (g) acknowledges and agrees that a Holder has no right to request an Exchange.

9.10 On-market buy-backs

Subject to APRA's prior written approval, Suncorp may buy-back CPS at any time and at any price by an on-market buy-back.

9.11 No other rights

- (a) CPS do not confer on Holders any right to participate in profits or property of Suncorp except as set out in these Terms.
- (b) CPS do not confer on Holders any right to subscribe for new securities in Suncorp or to participate in any bonus issues of shares in Suncorp's capital.

10 Voting and other rights

10.1 Voting rights

Holders will not be entitled to vote or speak at any general meeting of Suncorp except in the following circumstances:

- (a) on a proposal:
 - (i) to reduce the share capital of Suncorp (other than a reduction of capital in accordance with these Terms);
 - (ii) that affects rights attached to CPS;
 - (iii) to wind up Suncorp; or
 - (iv) for the disposal of the whole of the property, business and undertaking of Suncorp;
- (b) on a resolution to approve the terms of a buy-back agreement (other than a buy-back in accordance with these Terms);
- (c) in a period during which a Dividend in respect of CPS remains unpaid; or
- (d) during the winding up of Suncorp.

Each Holder who has a right to vote on a resolution is entitled to the number of votes specified in article 13.1 of the Constitution (or any provision or provisions that revise or replace that article).

10.2 Not a "voting share"

Each Holder acknowledges and agrees that a CPS will not constitute a "voting share" for the purposes of the Corporations Act.

10.3 No right to apply for the winding-up of Suncorp

Each Holder acknowledges and agrees that a Holder has no right to apply for Suncorp to be wound up, or placed in administration, or to cause a receiver, or a receiver and manager, to be appointed in respect of Suncorp merely on the grounds that Suncorp does not pay a Dividend when scheduled in respect of CPS.

10.4 No events of default

Each Holder acknowledges and agrees that these Terms contain no events of default. Accordingly (but without limitation) failure to pay in full, for any reason, a Dividend on the scheduled Dividend Payment Date will not constitute an event of default.

11 Takeovers and schemes of arrangement

If:

- (a) a takeover bid is made for Ordinary Shares, acceptance of which is recommended by the Directors; or
- (b) the Directors recommend a scheme of arrangement in respect of the Ordinary Shares of Suncorp which will result in a person other than Suncorp having a relevant interest in more than 50% of the Ordinary Shares,

in each case which would result in an Acquisition Event then, if the Directors consider that APRA will not approve Exchange of CPS in accordance with clause 5, the Directors will use all reasonable endeavours to procure that equivalent takeover offers are made to Holders or that they are entitled to participate in the scheme of arrangement or a similar transaction.

12 NOHC Events

12.1 Suncorp may give NOHC Substitution Notice

If:

- (a) a NOHC Event occurs;
- (b) NOHC Ordinary Shares are listed on ASX; and
- (c) the NOHC agrees for the benefit of Holders:

Please complete all relevant white sections of this Application Form in BLOCK LETTERS, using black or blue ink. These instructions are cross-referenced to each section of the form.

HOW TO APPLY FOR CPS

- A** Insert the number of CPS you wish to apply for. You must apply for a minimum of 20 CPS (\$2,000) and thereafter in multiples of 10 CPS (\$1,000). You may be issued all of the CPS applied for, a lesser number or none at all.
- B** Insert the total Application Payment. To calculate the total amount, multiply the number of CPS applied for by the Issue Price (\$100.00). Amounts should be in Australian dollars. Please make sure the amount of your cheque or money order equals this amount. If the amount of any cheque or money order is insufficient to pay for the number of CPS that you have applied for, or, if there are insufficient funds held in a relevant account to cover a cheque that you have drawn, then Suncorp may, in consultation with the Joint Lead Managers, determine that you have applied for such lower number of CPS as your cleared application monies will pay for and you will be deemed to have specified that number in this Application Form.
- C** Write the full name you wish to appear on the register of CPS. This must be either your own name or the name of a company. Up to three joint Applicants may register. You should refer to the table below for the correct registrable title.
- D** Please enter your postal address for all correspondence. All communications to you from Suncorp and the Registry will be mailed to the person(s) and address as shown. For joint Applicants, only one address can be entered.
- E** If you are already a CHESS holder or sponsored by a CHESS participant, write your Holder Identification Number (**HIN**) here. You can find this number on your CHESS holding statement. If you do not know your HIN, contact your sponsoring broker. If the name or address recorded on CHESS for this HIN is different to the details given on this form, your CPS will be issued to Suncorp's issuer sponsored subregister.
- F** Please enter your telephone number(s), area code and contact name in case we need to contact you in relation to your Application.
- G** If you are a General Applicant please complete the details of your cheque or money order in this section. The total amount of your cheque or money order should agree with the amount shown in section B.
- GENERAL OFFER:** Make your cheque or money order payable to "Suncorp-Metway Limited – CPS Offer" in Australian currency and cross it "Not Negotiable". Your cheque or money order must be drawn on an Australian bank. Sufficient cleared funds should be held in your account, as cheques returned unpaid are likely to result in your Application being rejected. Pin (do not staple) your cheque or money order to the Application Form where indicated.
- BROKER FIRM OFFER:** Broker Firm Applicants should contact their Syndicate Broker for instructions on how to submit their Application Form and Application Payment.
